

West Wyoming Takes Pennant

Teeners Close Their Most Successful Year

West Wyoming defeated East Dallas 8 to 4 for the championship of the Back Mountain Teeners League Friday night in the final game of the season.

Amota and Lehon pitched for the winners while Johnny Shoultice did a masterful job for the losers, but received none too good support.

The two teams finished the regular season in a tie for first place making a play-off game necessary.

The play-off was scheduled for Wednesday night, September 2, but the severe storm of that date delayed the game so that it had to be called on account of darkness with the score at one all. Bobby Richardson pitched for Dallas and Marty Michaels pitched for West Wyoming. It was a pitchers' duel all the way. These boys were unable to pitch in the final game because League rules make it necessary for all pitchers to have two full days of rest between games.

The Pennant Winners Trophy will be presented to West Wyoming later at a luncheon.

Fans and players agree that the current season was the best in Teen-Age League history largely due to enthusiastic leadership of President Herman Kern and the support of officials.

Mr. Kern in turn placed the responsibility on the community saying that the League could not have had so successful season without the support of parents, players and fans. "We hope to have an even better season next year," he said. "We've come a long way this year and I want to thank everybody who in any way supported us."

Lehman PTA Sept. 14

Lehman-Jackson-Ross Township PTA will meet September 14 at 8 p.m. in the gymnasium, under chairmanship of Atty. Jonathan Valentine. The Band, directed by Bernard Gerrity, will give a concert.

Washington Jaunt Planned Oct. 22-23

Mrs. Fred Handley, Shavertown, is planning another tour for Back Mountain residents. Reservations are now open for an October 22 and 23 bus trip to Washington, with seats allocated as registration is made.

Travellers will leave Shavertown at 5:30, stopping at the Dutch Pantry for breakfast. The party will tour Gettysburg battlefields on the way south.

Overnight accommodations are at the Carol Arms. A boat trip on the Potomac is planned for the first night. Itinerary will include Mount Vernon and Arlington Cemetery, with all main points of interest in Washington.

Residents who have taken former trips under Mrs. Handley's direction have been well pleased. The August 12 trip to Atlantic City, and one earlier in the year to Hershey, attracted capacity bus loads.

HOME OWNERS QUESTION BOX

Q—Is there any way to keep a bathroom mirror from fogging?

A—No practical way. Fogging is caused by the high concentration of moisture in the air. Special non-fogging mirrors are made with concealed heating elements which keep the glass at a high enough temperature so that moisture doesn't collect.

Q—I have been told that a garage floor should slope slightly toward the door. Is that correct?

A—Yes, it's an excellent idea. Gasoline vapor is heavier than air and it can collect in explosive quantities in hollows in a supposedly level floor. But if the floor slopes, the vapor will flow out under the door.

Q—I am planning to put a new asphalt roof on my house. Would it be wise to select green shingles to match the window shutters?

A—If you would like the complete color scheme which that would give you, go right ahead. Color is largely a matter of personal preference, and any homeowner should feel free to use the colors that appeal to him. In your particular case, you might select an asphalt shingle color from the large variety available and then re-paint the shutters if desired. The roof color is chosen first because it is a lasting color. Colors of other parts of the house may need to be painted many times during the life of a roof.

Q—Must a paint brush be cleaned thoroughly if it is going to be used again within two or three days?

A—No, thorough cleaning isn't necessary. Clean out some of the paint, and then wrap the bristle end of the brush in waxed paper. Seal the edges of the paper with tape to keep out the air.

Q—Is it necessary to paint copper door and window screens? A—Copper won't rust, but it will corrode and protection is needed for that reason. Use spar varnish or green enamel. If the varnish or enamel is thinned heavily, it won't be so likely to accumulate in the mesh.

Shot From Meteor 5 1/2 Miles Up

IN THE EJECTION SEAT he was testing when he was shot from a Meteor jet aircraft at 29,000 ft. (about 5 1/2 miles) up over Oxfordshire, England, is Parachutist Bernard Lynch. The new seat of the British Martin-Baker Aircraft Co. automatically allows the pilot to escape from high-speed aircraft at high or very low altitudes. An earlier Martin-Baker seat, standard fitting of Britain's Royal Air Force, has been adopted by the U. S. Government.

Legion To Play Lymanville In Exhibition Game Sunday

President George Shupp, of the Bi-County League has announced that next Sunday's games will include an exhibition game at Beaumont Field between Dallas Legion and Lymanville, winners in the Wyoming-Susquehanna League. Game time will be at 2:30 p.m.

This game should prove to be quite a contest if the pitching performance of Ellis, the Lymanville ace, is up to standard. In the All-Star game played at Montrose, July 12th, Ellis worked three innings and gave the local All Stars a sample of some pretty fair hurling, allowing only one hit and one run in the period he worked.

Sunny Martin should be able to hold up his end for the Legionnaires, too, because he has had plenty of rest since the closing of the regular schedule.

Tib Salansky, the Legion's first string catcher re-injured his ankle in an exhibition game at Jenks and may not be able to start. Dick Seafoss is back in the line-up after three weeks nursing a twisted ankle.

Thomas Elston Is Fraternity Delegate

Thomas Elston, son of Mrs. Alice Elston, Lehman, flew to Estes Park, Colorado, on Saturday, a delegate to the National Convention of his fraternity, Epsilon chapter of Delta Sigma Phi, Penn State. He will return home for a few days before starting his senior year. His roommate, Lawrence James, met him in Pittsburgh, and the pair flew to Colorado together.

Salvation Army Opens Its Annual Fund Appeal In Rural Districts

Mrs. Letha Byrne, chairman in Noxen Township, and Mrs. Clarence Schoonover, chairman in Northmoreland Township, announce that the Salvation Army Service Unit Appeal for funds is now under way.

Committee members serving with Mrs. Byrne in Noxen are: Mrs. Ruth Bennett, treasurer and Mrs. Helen Dendler. Serving with Mrs. Schoonover in Northmoreland are: Mrs. Frank Williams, treasurer; Mrs. Ruby Besteder, Alva Eggleston, Mrs. Blanche Faux and Mrs. Ellis Weaver.

The Salvation Army has been extending its field of operations into rural areas by means of Service Units which operate through local committees organized to advise and help on individual cases and channel The Army's efforts to points of greatest need.

In the event of a disaster or other serious emergency, the Service Unit is ready to give immediate assistance, and hundreds of trained Salvation Army officers are ready to give speedy and efficient service when needed by the Unit.

In war torn Korea, The Salvation Army is providing clothing for the homeless and our Armed Forces en-

joy many a snack at a Salvation Army canteen.

In Pennsylvania local Salvation Army units are supplying thousands of inductees with going-away kits, coffee and doughnuts.

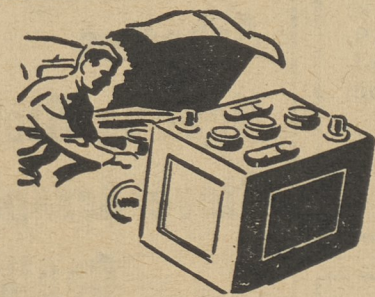

At Forks, Pennsylvania, The Salvation Army operates a summer camp where last summer over six hundred children from Northeastern Pennsylvania attended for ten day periods.

The Army cooperates closely with local school authorities in providing vital health and welfare services for their students.

The funds from this appeal enable your Service Unit to operate in Northmoreland and Noxen townships as a portion of the funds raised remain with the Committees for local work.

CHURCH OF CHRIST Sweet Valley

Annual Home-Coming will be celebrated at Sweet Valley Church of Christ September 20, with Rev. Virgil Wallace as evangelist. Morning service will be at 11, afternoon at 2:30. Dinner will be served at 1.
