Lehman Boys Feed Hungry Wildlife

Edwin Johnson, English instructor at Lehman-Jackson-Ross High School, superintended distribution of 300 pounds of ear corn for wild life feeding last Saturday morning. Ten boys from both junior and senior high school impaled cobs on branches high enough above ground to escape burying under possible snows.

The Game Commission provided the corn, which was carried to the wooded areas about Lehman, knapsack fashion.

Boys who made the trip were members of junior and senior Outing Clubs. Among the juniors were Joe Hardisky, Bradley Ide, Clyde Major, Payne Major, Dale Campbell, and John Stolarick. Older boys were William Coolbaugh, Richard Lincoln, Robert James, and John Steele.

TV NEWS

Robert Paige, movie actor turned radio and television emcee, recently named what he thought were the best contestants on an audience participation show. He listed, in order, servicemen in uniform, retired professional and business people, and reluctant or shy persons.

As for servicemen, they make excellent fodder for quizmasters because most of them have an exciting incident to relate, and besides, the average serviceman is restrained so much in expressing himself at the camp that when he does get a chance to sound off a bit, he makes the most of it. Retired business and professional people make excellent contestants, too, says Mr. Paige, because they know what they want to say and how to say it.

This emcee shies away from boisterous persons in the audience. He explains that they often clam up when they get on stage and away from the crowd. Reluctant ones, on the other hand, modestly agree to appear and then, once in front of the microphone, wonder what they are doing on stage. These modest, shy and blushing folks often inspire ad libs and lulls through their sheer honesty.

Dallas Methodists Defeat Favored Truckville Team

By TOM MAKRAVITZ

Springing the upset of the year, Dallas Methodist by downing a heavily favored East Dallas entry, moved right up into the contender class, which finds seven of the eight teams in the loop fighting for a playoff position.

This is the first time in the history of the loop that so many teams have a chance to make the playoffs. Other years at this time, four of the teams had their spots cinched, but now, with six more games to go, anything can happen, and probably will, right up to the wire.

In other games, Huntsville edged St. Therese's 43 to 41. Shavertown

walloped Alderson 60 to 41 and Truckville downed Carverton in a hard fought contest 52 to 41.

Huntsville Downs Saints

Coming back after dropping their last two games, Huntsville Christian just did get by St. Therese's by a 43 to 41 score in a thrilling game. Trailing by as many as eleven points, the Saints pulled up even in the third quarter and then took over the lead in the last. But with Charlie Brobst and Grose breaking loose again the Christians pulled the game out of the fire in the closing minutes. Failure to connect on their foul shots, they converted only 4 of 21, was the Saints downfall. Charlie Brobst with 13

points and Grose with 10 led the Christians, while Stolarick, Hudak and Kocheer were outstanding for the losers.

Dallas Upsets E. Dallas

With Templin and Coughlin leading the way, Dallas Methodist pulled the upset of the year by downing "Porky" Martin's East Dallas five. A heavy favorite before game time, East Dallas went into the game tied for first place, and intending to stay there. But with the opening whistle you could see it wasn't an East Dallas night. Dallas Methodist grabbed a 9 to 4 lead and were on their way pouring in shots from all angles. On the other hand, East Dallas could do nothing right, just one of those nights. Templin and Coughlin with 18 points each led the victors, while Miller with 13 and Dymond with 9 led the losers.

Shavertown Wins

Shavertown Methodist stayed right up with the leaders with an easy 60 to 41 victory over Alderson. Carey hitting for 21 points and Bob Oney 12 more, were just too much for the Lake entry. Searfoss with 16 and Larry Crispell with 11 were outstanding for the Alderson five. In the three games up to this point, it was noted that the teams were way off on foul shots. Conversion of these shots could have made a difference in two of the games between winning and losing.

Truckville Methodist downed Carverton by a 52 to 41 score, very surprising, as Truckville was to have had an easy time with this outfit. The Carverton entry although winless, manages to give a fair account of itself and should improve with each remaining game.

But on the other hand, Sherrin and Company could have been relaxing after three tough games in a row, that saw them climb back up into a tie for first place. Richards and Sherrin with 15 and 14 points led the winners, while Lewis with 14 and Harris with 8 paced the losers.
