**Many New Homes
Are Built Here**

Estimate 600 In
Four Year Period

As near as can be determined from tax assessment records and other sources the four year period between 1950 and 1954 saw 193 new homes built in Dallas Township. This number does not include an estimated thirty homes now under construction. During the same period farm land and other plots were subdivided into 1,000 building lots.

In Kingston Township during the same four year period 133 new homes were completed and placed on the assessment books. The total finished, however, was 153 about 20 of which have not yet been placed on the books. During the same period 100 units were constructed at Meadowcrest to house 100 families. These properties are not presently taxable.

In Dallas Borough 110 homes were built between 1950 and 1954 with nineteen homes now under construction, seven of them in Raymond Hedden's development on upper Machell Avenue.

In Lehman Township which includes the Oak Hill and Keystone Homes developments at Idetown, 150 homes were built between 1950 and 1954.

Commonwealth Telephone subscribers in the Back Mountain area increased from 2,644 to 3,520 for a total increase of 876 during the 1950-1954 period.

Beaumont

At the regular monthly meeting of the P. T. A. Monday it was decided to raise some money by selling Easter candy and having an amateur show. Miss Clark, representative for the Dairy Council, gave an inspiring talk on the basic seven foods, using as her theme, "You Are What You Eat." Before tasty refreshments were served by the fifth and sixth grade mothers, it was decided to have "Open House" for the April meeting and a program by the State Police explaining finger printing.
