Adventists Plan Ingathering

Beaumont Church Voices Appeal

Beaumont Seventh Day Adventists started their annual drive for funds this week, for the support of world-wide missionary work. Rehabilitation work in Korea will come in for a large share. Pastor H. C. Reading said, Adventists operate war orphanages and hospitals which have been overflowing almost from the beginning of the Korean War.

The local church plans to reach its \$425 goal in six weeks through member and business firm contributions and door-to-door solicitation. The amount raised last year was \$426.

On a national scale last year's appeal netted \$3,715,000, virtually all of which went directly into humanitarian work. Projects supported from ingathering funds are administered by existing church organizations with income derived elsewhere.

Adventists themselves last year gave more than \$56,000,000 for support of a program of missions, medical and educational work in 195 countries.

Community welfare work done here in 1953 is valued at \$160, reports Mrs. Mattie Straley, home missions director.

"Christian missions at home and abroad have always been one of the most powerful forces for enlightening backward peoples," Pastor Reading said in announcing this year's drive. "Millions of persons are being helped to help themselves," he added. This is the effective way to build solidly for a more progressive free world."

Waterstripes Move To Farm

Rev. Weldon Takes Up Pastoral Duties

Rev. and Mrs. E. J. Waterstripe, Sweet Valley, moved from the Church of Christ parsonage on Tuesday to their farm on Shickshiny RD 1, three miles below their former residence. Rev. and Mrs. Donald G. Weldon and their two children, from Atlanta, Georgia, moved into the vacant parsonage on Wednesday.

Rev. Weldon preached in Sweet Valley as a candidate for the position in February, one of several who were considering the appointment. Rev. Waterstripe rounded out twenty-five years of service to the church last month, the occasion marked by a surprise party for the retiring minister.

Rev. Waterstripe is a native of Missouri. He preached in that State, and in Northern New York, Avis and Flemington before settling in Sweet Valley. Mrs. Waterstripe taught school in Sweet Valley for thirty-seven years, retiring last year.

The retired couple plan to raise vegetables and flowers but not do extensive farming.

Rev. Weldon will assume pastoral duties this Sunday. Before returning to Atlanta, he served in Hawaii.

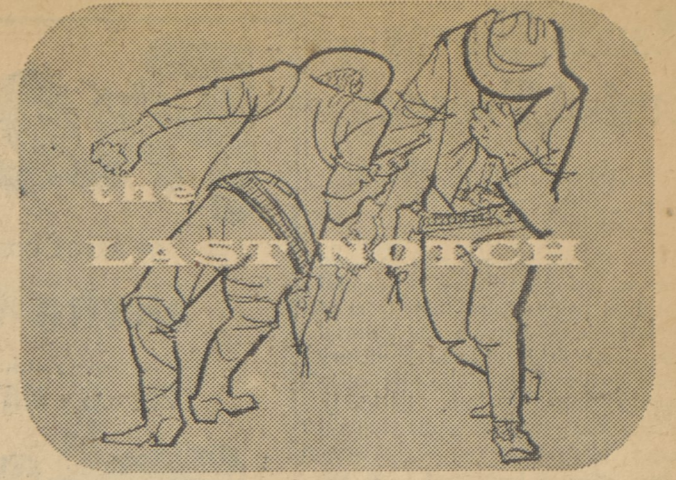

Back Mountain Has Four Candidates

With four major candidates seeking the Republican nomination in the Congressional and Legislative contests at the spring Primary Election, the Back Mountain Region is due for a political awakening.

The candidates are: Newell Wood, Harveys Lake, Harold Flack and Edward Morgan, Goss Manor, for State Senator; and Martin Walsh, Fernbrook for Congress.

Girl Scout Council

Back Mountain Girl Scout Council will meet Thursday at 7:30 in Back Mountain Memorial Library Annex, Mrs. James Edwards presiding.

Home Topics

Cost of Lighting—The initial cost of fluorescent lighting usually is higher than that of incandescent, Sanna Black, Penn State extension home management specialist, reports. But the operating cost of fluorescent lighting is lower. It gives between two and three times more light for the same wattage as filament bulbs.

Undercook Certain Freezer Foods—Meats and vegetables that are headed for the freezer in stews, spaghetti sauce, and similar combinations should be slightly undercooked, Marjorie Wormeck, Penn State extension nutrition specialist, says.
