Bloodmobile Here April 30
Churches To Join In Meeting Quota
 Blood Donor Day is scheduled for Friday, April 30, at Dallas Borough school, noon to 6 p.m. The goal is 125 pints.
 St. Therese's, Gate of Heaven, and Our Lady of Victory parishes are cooperating 100 percent in making this drive a success. Ministers of Protestant churches are announcing the date in their bulletins and urging their membership to give.
 Wyoming Valley Red Cross Blood Center was thirty-five pints of blood short of demands upon it last month. More and more is being used for transfusions in hospitals, preparing patients for the operating room and building up their health after surgery and illness. Present collections are not enough.
 Mrs. Edwin L. Raub is chairman of Donor Day, Mrs. Stefan Hellersperk Back Mountain regional chairman.
 Blood donors are urged to come as early in the afternoon as possible so that businessmen and women may avail themselves of the later hours.

We have the House Paint that is Making History!

Revolutionary, new Devoe Wonder-1-Coat protects and beautifies just like 2 coats of ordinary paint... SAVES YOU HUNDREDS OF DOLLARS!

YOU MAY HAVE THOUGHT that you would always need 2 coats of paint to properly repaint your house. Up until now you did—and you still do when you use ordinary paint.

BUT Devoe's amazing new Wonder-1-Coat House Paint is something entirely new. It introduces an altogether new concept in repainting your house. NOW—instead of 2 coats, you need only one coat. NOW—instead of going through all the motions and work of applying paint twice around your house, you need only go around once after spot-priming any bare wood surfaces. You get the job done almost twice as fast. When your paint contractor does the painting, you save hundreds of dollars on labor costs alone. If you do the work, you'll be free to do other things, twice as quickly. Devoe Wonder-1-Coat is just about the most time-saving, money-saving paint that you will ever see in your lifetime. AND SURPRISINGLY ENOUGH IT LASTS AS LONG AS TWO COATS OF ORDINARY PAINT!

IF you want to see a demonstration of Devoe Wonder-1-Coat's FANTASTIC performance, visit our store. We'll be able to show you conclusively—to your complete satisfaction—how Devoe Wonder-1-Coat completely hides a given surface in just one stroke of the brush. Whereas ordinary paint can't! The secret is that Wonder-1-Coat has double the hiding power and double the film thickness of ordinary paint. Twice the whiteness units in every gallon!

So see us soon won't you? We'll gladly give you names of paint contractors who now regularly use Devoe Wonder-1-Coat House Paint. You can get a paint estimate absolutely without obligation.
