Letters Testamentary on the above estate have been granted to the undersigned. All persons indebted to said estate are requested to make payment and those having claims to present same without delay to

Fred P. Gibbons, Executor
 70 Church St., Kingston, Pa.
 or his Attorney:
 Patrick J. O'Connor, Esq.
 21 South Franklin St.
 Wilkes-Barre, Pa.

SEALED PROPOSALS

SEALED BIDS OR PROPOSALS will be received by the Borough Council of the Borough of Dallas, Pa. until Tuesday evening, July 6th, 1954, at eight o'clock, at which time the same will be publicly opened and contract awarded the lowest responsible bidder for the grading, paving and construction of a parking lot at the rear of the Borough Building, all in accordance with plans and specifications prepared by the Borough Engineer, copies of which may be had upon application to J. T. Jeter, Center Hill Road, Dallas, Pa. The work contemplated is to be done concurrently with the construction of an addition to said parking lot on property of the Miners National Bank of Wilkes-Barre, and contracts for both should be entered into at the same time. The Borough reserves the right to reject any or all bids.

JAMES F. BESECKER,
 Borough Secretary.

NOTICE IS HEREBY GIVEN that an application was filed in the office of the Secretary of Internal Affairs of the Commonwealth of Pennsylvania, on the fourth day of March, 1954, by August W. Grebe and Joseph Nissley for warrant to survey Sixty-one (61) acres and Ten (10) perches of unimproved vacant land, situated in the Boroughs of Edwardsville and Larksville and county of Luzerne bounded northely by land warranted to John Sturdevant under date of February 20, 1896 easterly by land warranted to John H. Stenger, Jr., under date of July 8, 1953 southerly by land warranted to Marmaduke Moore under date of May 4, 1848 and mineral right to Eli K. Price under Act passed April 11, 1848, and westerly by land warranted to Eli K. Price under Act passed April 11, 1848, as to Mineral Right only. The land applied for covers part of and is above the former bed of a river warrant granted to Marmaduke Moore pursuant to Act passed April 11, 1848, under date of May 23, 1954.

WILLIAM S. LIVENGOOD, JR.,
 Secretary of Internal Affairs.

Estate of Pasquale Adonizio, also known as Tony Rose, late of Pittston, Pa.

NOTICE IS HEREBY GIVEN that Letters Testamentary having been granted, all persons indebted to said estate are requested to make payment, and those having claims to present the same to Angelo Adonizio of 293 William Street, Pittston, Pa., and the Liberty National Bank of Pittston, Pa., Executors.

Notice is hereby given that Letters Testamentary have been granted in the Estate of Elizabeth R. Alles, deceased, late of the Borough of Kingston, Penna. Calling All Poultrymen

Flies Needn't Be A Bother Anymore

The N. E. Penna. Poultry Laboratory Dedication.
 DATE: Saturday, June 26th
 TIME: 10:30 a. m.—Beginning
 PLACE: Next to NEPA Farm—Rt. 309, Tunkhannock.

Let's have a big turnout for this opening. We have tickets at the store for a delicious chicken barbecue to be served from 12:00 Noon to 2:00 p. m.

14 First Calf Heifers Average 10,691 Lbs. Milk

A recent report from the Purina Farm interested us. Fourteen grade Holstein heifers freshened during the year at an average of 24 months. Their average weight was 1244 lbs. In lactations of 10 months average production from the 14 was 10,691 lbs.

We believe every dairyman in this area could equal that record, yet most of them miss on two counts. Average age of freshening in this area is 28-32 months, and production averages 2000-2500 lbs. less.

One way to correct this is by the care given heifers on pasture this summer. Even while on good pasture, it pays to feed heifers some good hay. A feeding of D & F Chow once a day costs mighty little in comparison with the extra growth for earlier calving and increased milk it promotes. Won't you come in and talk over this important heifer-growing program with us?

Seems like flies get smarter every year, and build up resistance to more new chemical killers.

But Purina Research workers are smarter than flies, and they've got programs that really do kill. First there's Purina Building Spray that you use in dairy barns, poultry houses and other buildings where flies are troublesome.

Then there is a new spray for cows. It both kills and repels after you spray.

For use inside the house Purina Household Spray is tops for killing flies, mosquitos, moths, silver fish, roaches and many other pests.

Then there's a special beef cattle spray, too.

We'll be glad to explain details of this fly control program to you.

HAROLD MAYE, who lives on the Lehman-Outlet Road, stopped in the other day to pick up his Purina Chick Growena. He told us his young New Hampshire Red Pullets were growing just fine.

We are looking forward to a visit from you. If there is any way we can help with your livestock or poultry feeding or management problems, remember we are here to serve you.

—HUSTON'S FEED SERVICE

Your Own

AIR CONDITIONER

. . . stop sweltering through torrid days and nights. Enjoy cool, crisp comfort all summer with a modern Room Air Conditioner.

BUT . . . before you buy, check the prices. There are many different prices in this conditioner market so it will pay you to check carefully.
