Bloodmobile At Harveys Lake

Summer Visitors May Help Donate

Red Cross Bloodmobile will be at Harveys Lake Fire House Wednesday, from 11:45 to 5:45. Blood donations have fallen off during the summer. Traffic accidents are at their peak, with consequent need for blood for plasma and transfusions. Requirements of 467 pints during July in the Wyoming Valley area were not balanced by donations, which totaled only 400 pints.

Delay caused by not having blood on hand when an injured man needs it, may result in his death. The Red Cross calls attention to the ease of donation. Blood is never taken from a person who cannot spare it. It takes approximately an hour from start to finish. Blood is regenerated in a matter of a few days, and anybody can spare a pint. It is the easiest and most painless way of saving a life, and as vital as pulling a pedestrian from the path of an approaching car. Summer visitors at the Lake are welcome to donate along with year-round residents. Transportation to and from the Bloodmobile may be arranged by calling the Fire House or headquarters in Wilkes-Barre, Valley 3-7161.

The Bloodmobile will be at Church of Christ, Sweet Valley on August 16 from 1:45 to 5:45.
