Beauties It's The Truth

Tom Landon of Kunkle told me this week that his young turkeys are really off to a flying start.

He said he got 'em from Giles Wilson on June 1st and started right in on Purina Turkey Startena.

"These turkeys are the nicest we've raised yet," said Mr. Landon. "They're way ahead of last year."

More On Beauties

Of course its not official, but rumor has it that quite a few of the beauties who are taking part in the Harveys Lake Lions Club Annual Beauty Contest are "Purina Fed."

Carl Schreiner, Jr., a Purina feeder and member of the Lions Club told us that the finals to be held this Sunday afternoon will really be worth attending.

Why not stop out and see for yourself what a fine job of development Purina Chows will do?

Strange as it may seem, I've been questioned recently by some unconvinced people as to the truth of the statements found in this column.

These little articles aren't something I've made up myself. Sure, I put them in final form—but the feeder gives me the facts and figures from his own knowledge and records.

I'd have no respect for myself, nor would I expect anyone else to respect these statements if they weren't "the truth, the whole truth and nothing but the truth."
