Kingston

Kingston, spent Sunday with Mrs. Frank Wright and Mrs. Claire McKenna.

Protection for children at school, at recess, and before and after school on the way to and from school, is assured for 837 of the 1,106 pupils enrolled in the Dallas Borough-Kingston Township joint schools. James Martin, supervising principal, states that in addition to insurance for students, fifty employees are covered. Insurance provides compensation for injuries incurred in participating in school sports, free play on the grounds and

until a child is actually at home under parental supervision. The extremely moderate cost is defrayed by the parents. The number of pupils insured is larger than last year, 75.7 per cent of the total enrollment.
