Notes have been received from Phyllis and Norm Smith, former Huntsville residents, now of East Woodstock, Conn., saying that, now that the school year is over, they and the boys expect to leave for Spring Lake Ranch, Cuttingsville, Vt., to spend the summer months. They add that they'd love to be here for the auction.

Broken Arms Mending, Right One In Use

Friends who have been concerned about Mrs. Frank Perry's armless condition since breaking both wrists two weeks ago in a fall off her high back porch, will be relieved to know that she can use the right hand somewhat. She says it is astonishing what you can do with a couple of elbows and a pair of feet, but they are of no value in scooping fresh peas off a dinner plate.

Easiest Baling You Ever Did!

That's what farmers tell us after they bale with a New Holland "66".

"Seems like you never have to stop and tinker with it," they say. "Just hitch up and bale. Right down the windrow as pretty as you please. It sure makes haying easy."

Or how little it costs to own and operate this compact New Holland.

Why don't you come in this week and see this amazing New Holland baler. Or better yet, ask us for a demonstration in your own field. Pick your toughest field, your heaviest crop. We'll show you how to do more baling in less time in any field condition.

From all over the county, folks give us the same good news about the Model "66". Some of them talk about how easy it is to store. How few missed bales they get.

Call today for a demonstration!
