

## Melt Snow, Thaw Ice The Modern Way!

### X-73 Ice Remover

Laboratory tests prove that X-73 has 30 times the thawing capacity of salt. It is 10 times more effective than flake calcium chloride. Widely used by schools, churches, homes, hospitals, etc.

- No messy residue.
- Harmless to vegetation.
- Retards later snow coverage.
- Eliminates shoveling and chipping.

## State Will Have Tree Seedlings

### Orders Should Be Placed Immediately

Maurice K. Goddard, secretary, Department of Forests and Waters, has announced that early ordering of tree seedlings for reforestation purposes, is advisable. Insuring reservation of stock for next spring requires compliance with the February 15th deadline for ordering. Since the supply of all species is limited, orders will be given preference as received.

Available seedlings include white pine, red pine, Norway spruce, white spruce, hemlock, Japanese larch, European larch, black locust, and black walnut. Secretary Goddard further advised that trees from state forest nurseries are not to be planted for ornamental, Christmas tree, or landscape purposes. Applications for trees to be obtained during the spring of 1956 must be mailed to the Harrisburg office of the Department of Forests and Waters by February 15, 1956. The minimum order acceptable is for 1,000 seedlings, with 500 being the minimum number of any one species.

The Department of Forests and Waters has prepared a circular describing the kinds of trees available, methods of planting and other information, which may be obtained upon request. Landowners may obtain detailed information and applications for ordering trees by writing to the Pennsylvania Department of Forests and Waters, Edu-

## Westmoreland Team Awarded Bronze Shoe At Rotary Dinner

Bob Richardson, captain of Westmoreland Football team, accepted the bronze football shoe awarded to Back Mountain champions at the football dinner given by Dallas Rotary Club December 1 at Irem Country Club. Charles Kingsley, Shavertown, made the presentation. A bronze plate on the standard is engraved with the names of teams winning the award, the shoe becoming the property of any team able to win it three years in succession.

Westmoreland placed first in the Back Mountain League, second in Wyoming Valley conference. Francis Ambrose was chairman of the steak dinner.

Charles Poad, head coach, thanked the Rotary Club for its courtesy. James Godtfing, secretary of Wilkes-Barre Y.M.C.A., introduced Wayne Hansen, former secretary, who spoke on world-wide events. He has traveled widely in Europe and South America.

Westmoreland guests were football players: Bob and Tom Richardson, Paul Heslop, Ray Dymond, national Building, Harrisburg, Pa. In presenting his announcement to the press, Secretary Goddard said "idle land, marginal and sub-marginal agriculture lands, may profitably be planted to forest trees. In addition, cover for game is improved, watershed values are increased and the landscape is beautified."
