Sandsdale Bull Goes To Cary, Illinois

Sandsdale Dandy Dewdrop 1224521, shown here with his breeder Ralph Sands, has been sold to the Curtis Candy Company's Artificial Breeding Farm. Shown seven times, Dewdrop won six First in Class, was Junior Champion at Bloomsburg in 1954 and at Pennsylvania Farm Show in 1955.

Son Of Ralph Sands' Famous Molly Is Purchased By Curtis Candy Co.

It was no accident that Ralph Sands has sold his young Holstein Bull Sandsdale Dandy Dewdrop to the famous Curtis Candy Artificial Breeding Farm of Cary, Ill.

Dewdrop's sire is the excellent Curtis Candy Dandy George, one of the outstanding Holstein Bulls of the country.

The mother of Dewdrop is the famous old Molly Cow, registered as Molly Belle Lyons, Grand Champion at Bloomsburg in 1952, '53 and '54.

She is classified Excellent with a record of 23,106 pounds of milk and 891.7 pounds of butterfat in 334 days at ten years of age.

Around Molly's family of four daughters, two granddaughters and two grandsons, Ralph Sands has built an outstanding herd of Holsteins and has become one of Pennsylvania's leading young breeders.

His Senior Herd Springbank Piebe Sovereign 10973275 has contributed largely to the success of this herd being a consistent show ring winner and siring some of the best animals in the Sandsdale herd. One daughter of Sovereign and Molly made 713 pounds of butterfat as a two-year-old.

Sovereign and old Molly have truly put Sandsdale on the map.

Sandsdale Dandy Dewdrop will be heard from and Ralph Sands is to be congratulated on the production of such a fine young sire and his sale in four figures to the nationally known Curtis Candy Artificial Breeding Company of Cary, Ill.

Old Molly's lifetime record is 125,104 pounds of milk and 4,637 pounds of butterfat. It is safe to say that old Molly will be around Sandsdale Farm for many years to come.

Miniature Room Exhibit Brings In Over \$500.

Mrs. Paul Bedford, president of Shut-Ins and Wheel-Chair Club, Inc., reports that over \$500 was taken in at the exhibit of miniature rooms shown this spring at the Boston Store by Mrs. Dwight Fisher, Pioneer Avenue. Proceeds of the exhibit were divided between Wheel-Chair Club and Crippled Children's Association.

Several checks are still outstanding, which when received, will swell the fund.

Little League Opens Saturday With A Parade

Fire Companies And Band To Assemble At Bloomsburg Mill

The whole community is urged to turn out tomorrow afternoon at 2 when Back Mountain Little League opens its season with a big street parade and a special program at the Little League Field in Shavertown.

Parade units will form at Bloomsburg Mills at 1:30. Included in the line of march which will be headed by civic fraternal and Little League officials will be Westmoreland High School Band, Dr. Henry M. Laing, Shavertown, Trucksville and Orange Fire Departments as well as any others who wish to participate.

All Little League teams will participate in uniform. The parade will move promptly down Memorial Highway and thence up West Center street to the field, where opening day ceremonies will take place.

The first regularly scheduled game between Shavertown and Jackson will take place immediately after the ceremonies.

The field is now in excellent shape with a newly constructed dry surface dug out along the third base line.

There are fifteen uniformed players on each of the six teams making a total of 90 boys on the major league teams. There are also 90 boys on the six minor league teams.

All minor league games will be played this year at Fernbrook Field just off DeMunds Road on the Goeringer property. Major League games will be played Monday through Friday on the Shavertown Field, with rained out or make-up games played on Saturdays.

Other Little Leagues throughout the Valley have had a two weeks start on the local League because they were able to use their fields earlier. The local League has to wait until school recesses before it can start. This means that the local teams are under considerable pressure in order to finish the schedules within the time set by National Little League. Thus Back Mountain League plays five nights a week instead of four.

Critically Ill At Nesbitt

Dr. H. A. Brown Faces Operation Today

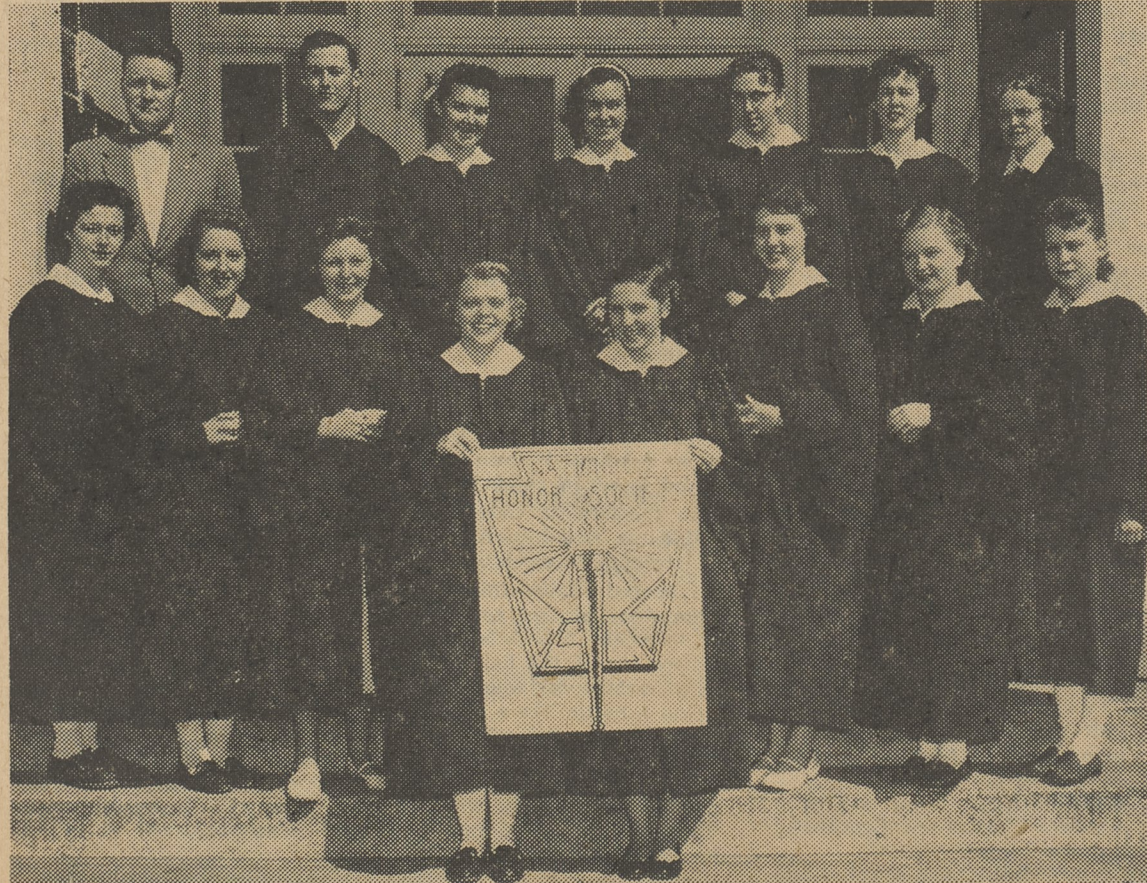

Dr. H. A. Brown, beloved Lehman physician, is critically ill at Nesbitt Hospital. He will be operated upon today to determine the nature and the gravity of a disorder of the liver.

Three members of the faculty of Lehman-Jackson-Ross high school gave 0-positive blood yesterday, and more teachers have signified their desire to contribute. Those who had the honor of donating blood for Dr. Brown were Arthur Nuss, John Armstrong, and Edward Edwards.

Dr. Brown's two sons have been with him. Emerson flew in from the state of Washington last weekend, and Harold has arrived by plane from California. His daughter, Louise Ferre, of New Rochelle, N. Y., a registered technician, was called, and is at the hospital with him.

The community is deeply disturbed over Dr. Brown's desperate illness. Carrying on with his work, attending to his patients far beyond the line of duty, while illness was creeping upon him, Dr. Brown finally realized that he himself was gravely ill, and made arrangements to turn his patients over to other physicians.
