Area jointure.  
An art workshop for elementary teachers was proposed for October 2, 3 and 4, after school hours and during the early evening. Mrs. Fern Whitby, appointed hostess for the group, was authorized to visit a similar workshop now in operation in Tunkhannock.

Anthracite Institute for Development of Schools, operating in Wilkes-Barre, and the Penn State study group, will continue to be used, AIDS by Westmoreland, Penn State by Township schoolmen, with pooling of information. The AIDS program deals with elementary level reading, the Penn State group with administrative problems. There e, and possibly five, elementary teachers will attend the AIDS. Mr. Kuhnert will again attend Penn State.

Mr. Martin, Charles James, Mr. Kuhnert and Mr. Austin were authorized to attend the Educational Congress in Harrisburg September 26 and 27.

Mr. Martin stressed the importance of the demonstration teaching session at Bloomsburg November 3, saying that teachers who attend this annual meeting derive great benefit from it.

An evaluation program, including I.Q. and achievement tests, was recommended for the entire system, with grades 4, 6, 9 and 11 possible selections for spot testing. Teachers meetings were set for every other Friday afternoon, school to be dismissed half an hour early, and teachers to remain for another half hour.

New contracts for all professional employees were authorized. A change in report cards to bring about uniformity was tabled until next year, as each system has a stock of cards on hand.

Cafeteria  
Centralization of cafeteria control seemed to board members to promise economy, an opinion voiced by Dr. Robert Bodycomb.

Mr. Kuhnert, whose school operates the largest cafeteria in the system, was asked to exercise jurisdiction. No merging of expenses is contemplated this year. Monroe Township has the longest established school cafeteria in the area, originally manned by volunteer help. At Dallas Township, practically all students patronize the cafeteria as very few are within walking distance of the school.

Frank Townend, chairman of the Finance Committee, recommended appointment of Butcher and Sherrard as financial advisor. A vote sustaining his recommendation was lost. Board members felt that with actual construction so far in the future, further consideration might well be given. Kidder, Peabody, Inc. and Ira Haupt, were among the companies offering their services.

Miscellaneous  
A school calendar was adopted, and bills ordered paid.  
Nation-Wide pupil insurance at a cost of \$1.25 per pupil was adopted.  
Mr. Kuhnert, recovering from a recent operation, was authorized to take a week's vacation.

Improvement of electrical service, with heavier installation, at Beaumont, was approved, Paul Shaver to do the work at a cost of approximately \$250 to \$275.

Mr. Kuhnert mentioned the overcrowded condition of the fourth grade at the Township school, with 45 pupils in one section, 42 in the second.  
Monroe Township men left at 11:15, with adjournment following shortly thereafter.

Full quotas of directors were present from Dallas Borough, Kingston Township, Dallas Township, Franklin Township, with Charles W. Smith absent from Monroe. Atty. Mitchell Jenkins was present.

Interested visitors included Mr. and Mrs. Fred Eck, who suggested that more of the hack problems be handled by committees: George Jacobs, Charles Eberle, Rev. Robert D. Yost, Mrs. Calvin Hall, and Henry Peterson.  
Harry Ohlman presided.

### Township PTA Plans Meeting Monday At 8

Dallas-Franklin-Monroe Townships P.T.A. will meet Monday night in the school auditorium. Teachers will be in their rooms at 7:45 to meet the parents. Walter Prokopchak will preside at this "Get Acquainted" meeting. The combined Junior Band of 90 students will play under direction of Alfred Camp. At a recent executive board meeting officers and committee chairmen were announced:

President, Walter Prokopchak; Vice President, Donald Smith; Secretary, Mrs. Arthur Ellum; Treasurer, Miss Theresa Polachak; Corresponding Secretary, Mrs. Thelma Thompson; Asst. Corresponding Secretary, Mrs. Raymond Kuderka; Public Relations, Mrs. George Dymond; Legislation, Andrew Kozemchak; Safety, Mrs. Howard Wiley.

### A Swarm Of Bees In May Is Worth A Load Of Hay

Honey bees building honey comb on an open branch were reported by Nelson Wetzel, Church Street, Dallas, who spotted the unseasonable activity on the Hudson Coal Property. He refrains from locating the swarm any more distinctly, to prevent youngsters from meddling. Two weeks ago, Mr. Wetzel noticed an enlarging mass of brown, with furious activity at the bottom. As long and big around now as a pump feed bag, the weight is carrying the branch tip within six inches of the ground.

Ralph Rood, bee authority, quotes the old rhyme:  
A swarm of bees in May  
Is worth a load of hay.

A swarm of bees in June  
Is worth a silver spoon.

A swarm of bees in July  
Isn't worth a wink of your eye.

### Houses Are Entered

Chief of Police Dennis Bonning and Jackson Township Police officers are exerting every effort to solve a number of robberies in Jackson Township. Several of the houses recently purchased by the State have been entered and considerable damage done.

The quickest way to make yourself miserable is to start wondering whether you are as happy as you could be.

### Mail Box Yields Dead Snake And Assorted Trash

Joseph Polack, Dallas Postmaster, states that if parents do not curb their children in their present project of stuffing the newly painted red and blue collection boxes with trash, inspectors will be obliged to run down the culprits and hold parents responsible for nuisance.

The mailbox at the Smith Economy Store, Huntsville Road, yielded a dead snake last week. The box at the corner of Spring Street and Lehman Avenue had paper and leaves in it. Last winter kids stuffed both these boxes with snow, which melted on the letters.

Kids are missing a bet on the big collection box at the entrance of Old Goss Manor. So far, nothing.

Watch it, Mom. It's pretty embarrassing to have an inspector haul Junior into the kitchen, along with the incriminating evidence, issue a warning, and maybe levy a penalty for tampering with United States mail.
