LET'S KEEP A WINNING TEAM ON THE JOB!

You know the old saying—"Stick with a winner!" In IKE and DICK we've got a team of winners. No question about it!
They have kept the peace in a tense and troubled world. They have made America stronger than ever before in peacetime. They have routed Communism from the government, while protecting the rights of every citizen. Their policies have brought you and me the greatest

prosperity this country has ever known. They have done more to advance racial equality than all the talking of nearly a hundred years! They have restored morality and dignity to the office of President of the United States. They have added to the office of Vice-President the importance and dignity it has long deserved. Together they are a team of winners . . . for you and me! Let's keep them on the job!
