Health Poster Contest Opens

All Students Are Urged To Enter

The County contest will close March 18, 1957, when all entries must be received at the Luzerne County Medical Society Building, rear 130 South Franklin Street, Wilkes-Barre, and judging will take place by April first, with winners announced immediately. Winners in the County contest will be entered in the State contest, which will be judged at the annual meeting of the Medical Society of the State of Pennsylvania in September, 1957.
