Bowling News

Written by Bob Bachman

Ferris Roberts' score of 230 as reported last week, was later found to be an unintentional scoring error. That left the path open for Dan Richards to win the weekly prize money with a 224-game.

This week the highs so far are very high and will probably hold up. Cliff Garris has posted a 256-score in the men's division and Evelyn Roberts has the highest woman's score that's been recorded... a terrific 243 game.

Teener's Report

Evidently the Elmcrest Teen-Agers are just starting their league officially for we have the first record of their standings. The Imperials lead with 2 wins against 1 loss, the Speedsters second with a 1-2 record and the Lofters and Swivel-Hips haven't made the win column yet as they show 0-3.

Jack Barnes had 355 pins for 3-game high while David Hindrichs bowled a nice junior score of 154.

Secretary Complains

Tom DeMeo, who is doing the best job of reporting for any league, is complaining that this column doesn't print everything he writes down. However Tom, you'll have to agree that we use most of your stuff even though it may not appear in exactly your words.

Keep sending in the info and we will use as much of it as we feel is newsworthy. You know that if you report that one man can't appear because he broke his ankle, or something of that nature, that we can't always report it or we would have the paper filled with those on the injured list from other leagues as well.

So don't be discouraged Tom, we appreciate your cooperation.

In Tom's league, the Back Mountain Firemen's League, Trucksville holds a one-point edge over the Jackson team while Franklin Firemen are only 2 points out of first.

Trucksville has a well balanced team with all members scoring well as evidenced by their high total pins for one game this week of 881.

Bednar of the Shavertown Firemen had high 3-game total of 560 but Elston of the Kunkle No. 2 team had high single game of 213. How about their first names Tom? There are lots of Elstons in Kunkle.

Hillyer Tops Seniors

Virginia Hillyer had her day as she took both 3-game and single game highs among the women of the Dallas Senior Women's Club League.

She scored a 152-383 to take the honors. The Jaguars still hold a big lead with a 21 1/2 - 5 rating over the second place Thunderbirds who are just about batting 500 with a 13 1/2 - 13 record.

Corvettes and Falcons are third and fourth even though the Falcons had high total pins for one game of 578 last Thursday.

It's Still The Breakers

With just two nights of bowling left in the first half, the Breakers are leading by 4 points over the Wonders with the Spectaculars in third place 9 1/2 points behind.

The Breakers meet the third place Spectaculars this week while the Wonders meet the sixth place Blazers and things can happen.

Bob Spengler, Shavertown, was high man in this St. Paul's Lutheran League with 3-game score of 575

Looking At TV

(Continued from Page 2)

Three of the top pointmakers in the National Basketball Association will be in action in this contest. Philadelphia's high scoring Paul Arizin and Neil Johnston rank second and third, respectively and Fort Wayne's George Yardley is seventh.

(NBC-TV, Saturday 2:30 p.m. EST)

THE HOLY LAND—A full-hour program filmed in Israel with Drew Pearson as guide and narrator will be presented by NBC Television Sunday, Jan. 27 (3-4 p.m. EST)

Among the persons who figure prominently in the film are Israel's Prime Minister David Ben-Gurion; Archbishop George Hakim of Galilee, head of the Greek Catholic community in Israel, interviewed by the Synagogue in Nazareth where Jesus taught; Israel's Chief Rabbi Issac Herzog, and Sheikh Moussa Tabori, head of the Moslem community in Acre.

ELOISE or rather little eight-year-old Evelyn Rudie who gained TV attention for her portrayal of "Eloise" will be a guest on the first New York origination of the Gobel show. Little Miss Rudie will take her host on a simulated conducted tour of New York.

JOHN CONTE, host of the NBC Matinee Theater received the first "Best Dressed Man on Television" award of the Men's Apparel Guild in California.

JUDY GARLAND's three year CBS-TV contract has been termi-

and high individual with a 218 game. Chargers, Needlers, Blazers, Stunners and Splashers place in that order after the three top teams.

The Montgomery team is high for the Irem Women Golfer's League with 25 wins. Phillip's team second with 22 and Jenkins third with 18. No other report on this because of lack of information this week.

Rose Unger, Tess Pritchard, Carl Henderson and Bob Maturi were the standouts in the last meeting of the Sunday Night Mixed League. Rose Unger, 483 and Bob Maturi 505, were high 3-game scorers while Tess Pritchard, 201 and Carl Henderson, 195 won honors in the single game category.

As this league starts its second half Dot Hungerford's team scored a new high for total team pins for three games of 1858. On this stellar performance they command the lead in the second half with 4 wins. The Unger and Pritchard teams are tied for second with 3 wins each.

Old Hickorys Strong

The Old Hickorys, fielding a strong team, continue to lord it over the rest of the teams in the Harveys Lake Women's Club League. They're proud of a 40-16 win-loss record, eight wins better than the second place Poplars with 32-24. The Oaks are 19-36 and the Maples 16-39.

Peg Williams had a high one-game score of 147 to lead the rest but Ann Crane beat her out for 3-game honors with a 407 total. The Poplars gathered in the most pins in a single game of 580.

The repeated bars dished out to the Plus 100's in this column seem to have taken affect as they lowered the boom on the league leading Milemasters in the Denmon's Service Station League. They took 4 points from them on Tuesday night. Keep it up girls and you'll soon get to the first floor after spending so much time in the dark cellar.

Ruie Powell was honor taker for the league with high for both 1-game and 3-game with 169-423. The Milemasters are still on top with 20 points, the Trojaneers second with 17, the Super 5 D's have 11 and the Plus 100's now own 8 points.

Zimmerman Leads Churchers

In the Back Mountain Church League Dale Zimmerman pulled down a 223-595 total to take honors both ways. Dale is a fine bowler and we're surprised we haven't seen his name here before this.

Dallas "B" has a shaky 1-point lead in this league over the Shavertown "C" team which is proving to be a strong contender as they garnered high team total for one game last week of 882 pins... that's a lot of pins.

Dallas "A" is only 4 points out of first and are trailed closely by Mt. Zion, and Trucksville "C" and "B" teams.

After one year by the network. The CBS action followed a sequence of events which started on Dec. 19 with the web notifying Miss Garland that it wanted her to do a show on Feb. 25. Web then sold the show to two sponsors. On Jan. 7 the network submitted a format which Judy didn't like. A substitute format was submitted which was still not to Judy's liking. Then CBS canceled Judy's contract.

SUPPOSE IT IS TRUE

You may not believe it, but just suppose the Bible is true. What gain is there in a sinful life—with only judgment at the end.

The Bible says Christless men will go to Hell, and the Bible has stood the test of time.

Join others who have thought this through in our Church Sunday.

SAFETY VALVE

(Continued from Page 2)

Whether he would want this published I do not know. He seems to be a very modest man. He is not our family doctor so I have no hidden reason for writing this except our doctors need to be remembered for the things they do beyond call of ethics.

Also while I am at it, Dallas Township has been extremely prompt with ashes and road scraping. Elmcrest Hill is very steep and when I have to get out at 8 a.m., I wonder sometimes if I'll get back up but they were here before that last week. I'll give them a cup of coffee any time if they just stop and help for it.

Why doesn't the State Highway Department mark the edge of the pavement with white lines as they do in New Jersey?

That is one of the biggest helps I know of in my driving.

Mrs. Samuel Harrison, in charge of public relations, says that a new little girl who moves into the community will find friends already made at the Brownie meetings, a good foundation for a summer of fun and sociability.

Brownies are now laying plans for the annual Cookie Sale. They will take orders from February 8 to February 27, with delivery shortly thereafter.
