"HE WHO HELPS A CHILD HELPS HUMANITY"

Medicines in bottles excite the curiosity of children. Unfortunately many folks leave medicines carelessly available for children to play with. There have been too many serious consequences from such thoughtlessness.

Give your children no opportunity to play with, or take overdoses of any medicines. Store them far away from their reach. And please be extra cautious when giving any medicines to children. Follow your physician's instructions exactly. If he is not available, when in doubt, phone us for information.
