Wayne Harrison, Janet Lee Lead Crown Bowlers For Week's Prize

Denmon's Girl's League Becomes Tight Race As Four Teams Battle For Top Spot

Wayne Harrison, Trucksville, bowling for Trucksville Firemen, had a big night; saved the second game for his team, and then went on to a 244-game in the third to set two new league records, win high single and 3-game scores for the night as well as having the highest men's score posted for the weekly prize.

Janet Lee, Midland Drive, Dallas, has yet to be beaten for this week's high women's score as she has a 201 posted, a fine game she bowled in league competition with the Dallas Senior Women's Club.

Bertha Zimmerman keeps pouring it on as she has pulled her Plus 100's, in the Denmon's Service Station League, up from 4 points total to 20 points in the last few weeks and only 5 points back of the league leading Super 5-D's. The Milemasters have dropped into second spot with 22 points and the Trojancers have 21 to hold third position. . . . this is a real battle and getting more interesting each week.

Bertha Zimmerman had high single and 3-game totals again this week with a 166-453 record.

Peg Williams led the Harveys Lake Women's Club Tuesday night with a 181-444 for single and 3-game honors. The Poplars top this league with 48 wins 24 losses, while the Old Hickory's are close behind with 47 1/2-23 1/2.

Bobby Otto and Eleanor McShea shared the honors last week in the Dallas Senior Women's Club. Otto 445 for high 3-game and McShea 171 for high single.

The Jaruars lead this league with 27-12, Thunderbirds have 21-18, Corvettes 17-22, and the Falcons 13-26.

Bonnie Davis did it again for the Irem Women Golfer's League as she hit 195-515 for the day to lead the pack. Ethel Woolbert made a valiant try as she scored a 184 game. Kear's Putter's lead this group with 10 wins in the second half. Jenkin's Spoons have 7 and Kroll's Brassies have 6.

Borthwick Best Teener

Young Jimmie Borthwick came through with the best game of his young bowling career, topping the Elmcrest Teenage League with a 139-game. Ray Hindrichs, old reliable, was high 3-game winner with 357.

The Imperials and the Speedsters have tied it up with 8 wins and 9 losses each. The Swivel-Hips have won 3 and lost 14 while the unfortunate Loafers have still to notch one point in the win column. The Loafers blame their poor showing on the poor attendance of their regular players and feel they could really do something if the rest of the team would "get on the ball" and come out every Friday.

3-Way Tie in Mixed League

Louise Goddard, Lee West and Ethel Woolbert locked horns in a 3-way tie for total pins Sunday night as they all came through with a 602 total for three games. Chuck Lawley was high 3-game winner for the men with 515 while Rose Unger and Doc Hungerford had high single games of 181 and 191 respectively.
