"IT IS EVIDENT THAT GREAT AND USEFUL OBJECTS CAN BE OBTAINED BY COOPERATION"

(Author's name below)

Modern methods for treatment of disease, exemplifies the cooperation between physicians and pharmacists for better health care.

Your physician makes a careful examination, diagnoses the cause, and then if necessary, writes a prescription for the one particular medicine that will help you most.

His treatment is no longer limited to a few drugs. We pharmacists now carry thousands of different medicines in our prescription department.

YOUR PHYSICIAN CAN PHONE Dallas 4-4161 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us, or let us deliver promptly without extra charge. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?
