

Bowling News

Written by Bob Bachman

Stanley Susek's good game of last week was not quite good enough as he was beaten out on Wednesday night by Bill Long, bowling with the Back Mt. Church League, who rolled a fine 266 game. And for the girls it was Barbara Casterline who won the honors, after this column was written, when she scored high for the week with 214.

So far this week it is Vic Zekas of Kingston who holds high with a 240 posted and no score has been posted for the women at all. So the field's wide open for the rest of the week. Bill Long's big game came at the same time as the Dallas "B" team, in this Church League, knocked over the highest total of pins of the season when they collected 2727 pins for the night's work. That's a lot of pins in any league!

By virtue of this high percentage

be very close with only 2 points separating the first and third place teams. The Wonders are in front by only a thin 1-point margin after taking 3 points from the Needlers. The Breakers are in second place as a result of licking the cellar team, the Stunners, for 3 points. The Chargers hold third, thanks to the Blazers who gave up 3 points also.

Tex Wilson rolled some nice round numbers of 222 to give him high individual score for the night but he gave up high 3-game total to Vic Cross who hit 566.

The Wonders high of 871 gave them the best team game for the night.

222 Seems Popular

Another 222 game, also winning high single game honors, was rolled by Willard Hoover in the Sunday Night Mixed League. And you can't take it away from her, Rose Unger is a top notch bowler, coming in high for the women in the Sunday Night Mixed League again with a nice 181-480 series. Warren Unger

had high 3-game for the men with a 520 total.

The consistent bowling of Louise Goddard's team, 638 for one game last Sunday, keeps this team at the top. They now own a 3½-point edge over the second place Lee West team. Rose Unger's team is in third spot batting exactly five hundred with 22 wins and 22 losses.

Jeanne Richards, 164

The high game for the Dallas Senior Womans Club was bowled by Jeanne Richards with a nice 164 but Bobby Otto came through with three good games to take the honors with a 429 series. In this league the Corvettes hold a 4-point advantage over the Jaguars. In third spot are the Thunderbirds while the Falcons have a rough row to hoe as they linger behind with only a 2-16 record.

Teen League Expanding

After May 22 there will be more openings on the Elmcrest Teen-Age League. They are expanding and will take over all eight alleys after this date. Teeners who are interested in bowling can sign up now if they wish. Only requirement is that each must be 13 years old or over.

The Speedsters continue to pour it on and the picture doesn't change much as the season progresses. They

lead by 9 points over the Imperials who, in turn, lead by 3 points over the Swivel-Hips while the hapless Lofters can't get off the ground as they cling to the cellar with only 2 wins and 39 losses.

Two new names in the high scoring column this week as Steve Dana hits high single with a 149 and Lloyd Ryman wins the 3-game honors with 416.

Announce Luncheon Date

April 2 was closing day for the Irem Women Golfer's Bowling League and they will prepare for their luncheon at the Country Club to be held April 9. The luncheon will be held at 12:30 following which prizes for bowling performances will be awarded.

Sally DeWitt makes the grade as she hit high single for the last meeting with a 168 game, but Rose Unger was high for 3-game total with 454.

Jenkins Spoons lead the rest by virtue of 24 points total in the second half, 3½ points in front of Phillip's Mashies.

Peggy Dungey, 176-448

Bowling as she did in the early part of the first half, Peggy Dungey scored a double triumph last Tues-
