

Bowling News

(Continued from Page 4)
day night when she won high single

and 3-game honors with a 176-443 series to lead her Milemasters to a 3-point lead over the second place Trojaneers.

The Plus 100's are in third spot,

three points behind the Trojaneers and the Super 5 D's are in the cellar but only 1 point behind the Plus 100's.

Firemen Bunched

Bunched behind the league-leading Shavertown Firemen, who have a 3-point hold on first, are four other teams only 1 point apart. Lehman and Jackson have 10 points each while Franklin has 9½ and Trucksville has 9. This can be anyone's second half as the pins continue to fall. Dallas Firemen have a chance though they are in sixth place with 6½ points but it seems the Kunkle teams need to get in some practice as they falter behind. Kunkle No. 1 who have garnered a grand total of exactly 1 point so far in this second half.

"Chiz" Lozo and R. Jones shared the honors last week as "Chiz" hit 204 and Jones had a 534 series.

Hetrick Misses 200

Every now and then one of the boys you don't hear much about has a big night and shows the rest of the boys that he's in there pitching all the time. That's the case with Bill Hetrick, southpaw bowler for the Hammer Heads in the Whitesell Bros. League. Bill has been having some bad nights but this week he came through with a fine 194 game to lead the pack and take high single honors. His total for three games is not available, but it seems he also came through with the 3-game high also.

The Hammerheads, cellar team for most of the season, have been

strengthened by the addition of Bruce Renard to the team and they have won 3 points each of the last three meetings of the league.

The Wood Butchers continue to hold their second position behind the Nail Benders as they won 3 points from the Pencil Pushers.

Scores Low For League

The scores for the Harveys Lake Womens Service Club League were much lower than usual, though all the gals seemed to have as much fun as ever on Tuesday night. The high

team total was scored by the Poplars with 638 pins for one game and 1756 for three games.

Helen Bialogowicz 141, and Marie Ritts with a 394 series, won honors. The league doesn't always get their scores in on time but, from past performances there is a much better brand of bowling in this group. Let's get going girls, you have a long way to go to catch those Poplars, they lead by a big margin. Poplars have 70 points, Old Hick-orys 56, Oaks 39 and the Maples 28.
