The highlight of the gathering was the selection of Senor Carlos Rodriguez of San Juan, Puerto Rico, to receive the "Merit Award" as the grad who had given the outstanding humanitarian service since being graduated from Bloomsburg fifty years ago. It was with an added sense of pride the following enjoyed lunch in the new \$450,000 dining room: Beaumont, Mr. and Mrs. William Arch Austin; Dallas Township, Mrs. Mary Emmanuel, Mrs. Thelma Lamoreaux and Kenneth Kirk; Exeter Township, Mrs. Laura Dymond; and Westmoreland, Miss Esther Sax and Thomas Jenkins.

## Lehman

### For the Young Folk

Not much news in Lehman this week. Things have been pretty quiet. The kids are getting ready for vacation and the graduates are looking forward to their Commencement. Families are planning their trips; boys and girls are looking forward to summer camps.

Several teen-agers have talked with me about getting jobs and what they can do with their free time. It would be nice to lie around sun-bathing, swimming, boating, wouldn't it? With the right kind of a job it is possible. There are jobs available as waitresses and bus boys where you work (and work hard) during luncheon and dinner hours but have most of your mornings and afternoons free to do as you please.

I've seen some of the lovely stoles made by Lehman Home Economics students. Why not make them to sell to your friends and neighbors? They make nice Christmas presents. Can you make fancy sandwiches or party cakes? Put an ad in the Post and wait for customers. Do you like children? Let the word get around that you are available for baby sitting jobs. How about helping a busy mother with her ironing or other chores once a week?

The boys who have made picnic tables and lawn furniture should be able to keep busy without much difficulty. If you do a good job and ask a reasonable price you might contact several stores to see if they would help with this project. Have you a lawn mower you could use? Ask your neighbors if they would give you a job for the summer? How about helping out on one of the farms in our area?

What do YOU do best? You

want a job this summer to earn spending money or money for clothes next year—there's no point in sitting home wondering what to do with yourself. Get out and look around. You'll be surprised at what you can do.

## Oak Hill

A cheery "hello" to everyone. First item of interest this week is the forthcoming meeting of the Idetown Civic Association on Sunday, June 2, at 4 at Idetown Methodist Church to determine the hours that Mr. Edwards will spend at the playground. Everyone is invited to attend and make suggestions.

The baseball team is getting organized. Bob Wilson and Bill Hockman are in charge of the two teams. Volunteers are needed to get the playground in shape. Their jobs, among others, will include cutting grass and laying out the baseball diamond.

This group of people is working hard to make a safe and interesting place where our youngsters can play, but they need support and help if they are to succeed. It's to our advantage to do what we can to aid them.

The young one and I spent two very enjoyable evenings at the Bowling Alleys with a multitude of other wives and children rooting for our husbands and fathers in the Back Mountain Church League playoffs. Our team was Lutheran "A," and we're pleased to say they came out first team in the top half. The men on this team really bowled beautifully on those two nights. They were (including substitutes): Matt Evans, Lou Poad, Jimmy Inman, Carl Hirner, Steve DeBarry, and Dale Zimmerman. We understand they are each to receive a trophy at the banquet. Congratulations and continued success, fellows.

Well, the eggs have finally hatched. We now have four little robins in the nest, hungrily awaiting the constant return of the mother bird with a juicy worm. The poor

little things look so bedraggled with just a little fuzz on them and their big eyes not yet opened. It will be interesting to note their progress as they grow and begin to learn to fly.

Thought for the day: It is true that a poor man is never happy. The reason is that a happy man is never poor.
