Mrs. Hicks' Nephew Is Instantly Killed

Mrs. T. M. B. Hicks' favorite nephew was instantly killed Tuesday morning when a heavy trailer truck struck the bicycle on which he was riding on the highway connecting Warren, Pa. and Jamestown, N. Y.

No blame attaches to the driver of the truck. Cresting the hill and picking up speed on the down grade, he made every effort to avoid striking the little boy, swinging his truck perilously to the extreme edge of the road as the bicycle wavered.

The child, 13 years old, was the last of the male line to bear her maiden name of Todd. Howard Todd, Jr., son of Mr. and Mrs. Howard D. Todd, of Charleston, S. C., had arrived in Frewsburg, N. Y. on Saturday, to spend the summer vacation with his cousin, Harry Todd Adams. Three days later he returned to Charleston. He will be buried today.
