where the swallows always come back on the same day each year. Have seen the homes of the various movie stars.

Spent one weekend at Palm Springs. Rowena and Ken with friends spent a weekend at Lake Arrowhead during the winter, went bob sledding and skiing.

During the winter it is cool and rainy in Southern California. You burn gas furnaces for months. It even snowed in Los Angeles in February. It isn't really as sunny and warm as we think it is back East, and smog is a very real problem.

It is unbelievable how much work there is out here. The young skilled people make very good wages. But there is a state income tax, along with the Federal tax, and a 4% sales tax on everything, even prescriptions when you are sick.

The real estate values have jumped up with the thousands of new people coming into the state. You hardly ever meet a native Californian, everybody is from some other state.

It's been fun, Esther, but it just doesn't seem like a real life somehow. After I go to one of the old mining camps and find enough gold

Notify Police Chief When On Vacation

Chief of Dallas Borough Police Russell Honeywell reminds people to tell him when they are going to be away on vacation so that he and his assistants may make regular checks of the property which is left temporarily vacant. Stop newspapers, stop milk deliveries, as an accumulation is a dead giveaway that there is nobody at home.

for the trip back, I'll be there. Disneyland was wonderful for the young in heart along with the children.

Our youngest son is in the Air Force stationed at Sacramento so we see him only about three days a month. Ken is in his freshman year at El Camino College. So we have been lucky to have our children with us a little longer.

I hope this hasn't bored you. I enjoyed your letter so much that I couldn't resist sitting right down and writing. Would enjoy hearing from you again when you have time.

Love,
Betty

UNUSUAL RESPONSE to a request for payment of a bill

My dear sirs:
In reply to your request to send a check, I wish to inform you that the present condition of my bank account makes it almost impossible. My shattered financial condition is due to Federal laws, State laws, County laws, City laws, Corporation laws, liquor laws, Mother-in-laws Brother-in-laws, Sister-in-laws and Outlaws.

Through these laws I am compelled to pay a business tax, amuse-

ment tax, head tax, school tax, gas tax, light tax, sales tax, liquor tax, carpet tax, income tax, food tax, furniture tax, and excise tax. Even my brains are taxed. I am required to get a business license, car license, hunting and fishing license, truck license, not to mention a marriage license and dog license.

I am also required to contribute to every society and organization which the genius of man is capable of bringing to life; to women's relief, the unemployed relief and the gold digger's relief. Also to every hospital and charitable institution in the city, including the Red Cross, the black cross, the purple cross and the double cross.

For my own safety I am required to carry life insurance, property insurance, liability insurance, burglar insurance, accident insurance, business insurance, earthquake insurance, tornado insurance, unemployment insurance, old age and fire insurance.

My business is so governed that it is no easy matter for me to find out who owns it. I am inspected, expected, suspected, disrespected, rejected, dejected, examined, re-examined, informed, required, summoned, fined, commanded, and compelled until I provide an inexhaustible supply of money for every known need of the human race.

Simply because I refuse to donate to something or other I am boycotted, talked about, lied about, held up, held down and robbed until I am almost ruined.

I can tell you honestly that except for the miracle that happened, I could not enclose this check. The wolf that comes to many doors now a days, just had pups in my kitchen. I sold them and here is the money.

Yours faithfully
from the MAIL BAG

Steady Subscriber After Fourteen Years In N. J.

Mrs. W. A. Nafus, Wharton, N. J. dropped in to pay her subscription Monday morning and bring the Post up to date on her family. Mr. and Mrs. Nafus, former residents of Dallas Township and Trucksville, have a new grandson, Robert Lowell, born to Mr. and Mrs. Lowell W. Geiss, Massillon, Ohio, June 24. Last year they had the gratification of hearing their son, Rev. Marvin J. Nafus, preach a Father's Day sermon in the church of which he is pastor, the J. M. Weaver Memorial Baptist, in Louisville, Ky.

Mr. and Mrs. Nafus moved away from the Back Mountain fourteen years ago, but they keep up with their friends by means of the Dallas Post. Mrs. Nafus' reaction to Howard Risley, seen across the office while reading proof, was to marvel, "How much he looks like his father!"

New Floor Care Ends Waxing

One of the difficult jobs of housekeeping is to wax linoleum and asphalt tile floors. Now, thanks to Glaxo, it's no longer necessary to wax and scrub; just apply Glaxo about twice a year. It maintains a high lustre, non slip coating that seals out dirt. Glaxo dries in one hour and is water clear. It's cheaper than wax in the long run, besides saving a terrific amount of work, plus truly a beautiful floor.
