

Pace-Setting Legionnaires Meet Buttonwood Here This Sunday

The Dallas Legionnaires tightened their hold on first place in the Wyoming League by downing Mocanaqua on Sunday by a score of 9-8. Dallas now has an 11-1 record in the league.

It looked like Dallas all the way as the team belted out Mocanaqua starter, Ed Winterstein, on eight runs and nine hits in five innings while Fosko pitched scoreless ball. Then in the sixth, Mocanaqua picked up three runs to make the score 8-3. Dallas added one more in the seventh for a 9-3 bulge.

Then in the seventh Fosko ran out of gas and Mocanaqua got to him for a double and two home runs. Fosko was lifted in favor of

Billy Shalata who came in from first base and put out the fire.

Shalata started the eighth but lost control and Pat Salansky came in to take over the pitching chores. Pat came through the eighth giving up two more runs to make the score 9-8.

Mocanaqua failed to score in the ninth and the final score was 9-8 in favor of Dallas.

Dallas pitching gave up a total of 15 walks, but fine defensive play in the infield cut Mocanaqua down time and again. Dallas turned in two double plays and a perfect peg by Right Fielder Jim Ferris to home plate stopped further Mocanaqua scoring.

Birth's Becomes AAA Emergency Station

Birth's Esso Service Station at the intersection of Routes 309 and 115, has been appointed an emergency road service station for the Wyoming Valley Motor Club, C. W. Bigelow, secretary-manager, has announced.

Bigelow said that Birth's Service Station will provide club members in the Back Mountain area around the clock 24-hour emergency road service. Birth's service area includes the Dallas to Idetown, Shavertown and Trucksville to the traffic light.

Luzerne Motors provides service to club members in the Luzerne area to the traffic light in Trucksville. Taylor's Service Station provides service from Idetown in the Harveys Lake area.

Bigelow said local members requiring emergency road service may call Birth's Esso Service Station at Dallas 4-1421 until 11 P.M. and Dallas 4-3344 after 11. The Wyoming Valley Motor Club has thirty-two service stations in the Luzerne County area under contract to provide its members 24 hour emergency road service.

New Industries Coming

Board of the Pennsylvania Industrial Development Authority has given tentative approval to a \$120,000 loan application from Pittston Area Industrial Development (PAID), to use the PIDA loan in the construction of a \$400,000 factory building for a new branch of Gar Wood Industries, Inc., of Wayne, Michigan, manufacturers of truck equipment and road building machinery.

The Pittston factory will be the first Gar Wood division in Pennsylvania, and will employ 100 men, mostly sheet metal fabricators, with an annual payroll of approximately \$400,000.

In addition the Authority adopted final resolutions approving loans of \$196,000 to Scranton-Lackawanna Industrial Building Company on two existing plants, those occupied by Luce Luggage Company and Polaron Products Company. SLIBCO will use the proceeds of these loans to finance construction of the new \$1,200,000 Chrysler plant in Scranton which will employ some 500 workers.

The game was marred by the continual arguing on the part of Mocanaqua as they objected on practically every play.

The Legionnaires will be home Sunday with Buttonwood as the attraction. This will be the last home game before the play-offs and game time is 2:30 at the Dallas Franklin Stadium. Buttonwood is currently holding down third place in the League and has been playing good ball in what is proving to be a tight race for season honors.

DIAMOND CHIPS: Dick Fosko is the winningest pitcher in the League with nine victories.

Wes Covington, Milwaukee Braves outfielder, is a former team mate of Pat Salansky. Both played at Waycross, Ga.

Billy Shalata has found his hitting eye, picked up four hits on Sunday.

Mick Witek has added a lot of pro ball experience to the team.

Rain Postpones Auction At Noxen Till Tomorrow

Noxen WSCS auction got rained out last Saturday, and will be held tomorrow at 1 p.m. in Bernard Dendler's barn. Mrs. Dendler, co-chairman, reports that the Methodist Youth Fellowship sold a good many books and toys at their booth, about as many as they expected to sell in any event, and refreshments went like hot cakes, the crowd having nothing to do but eat after the auctioneer said the rain was too heavy to stage a good auction. Collections of goods, said Mrs. Dendler, were well above expectations, including some ironstone china and good used furniture.

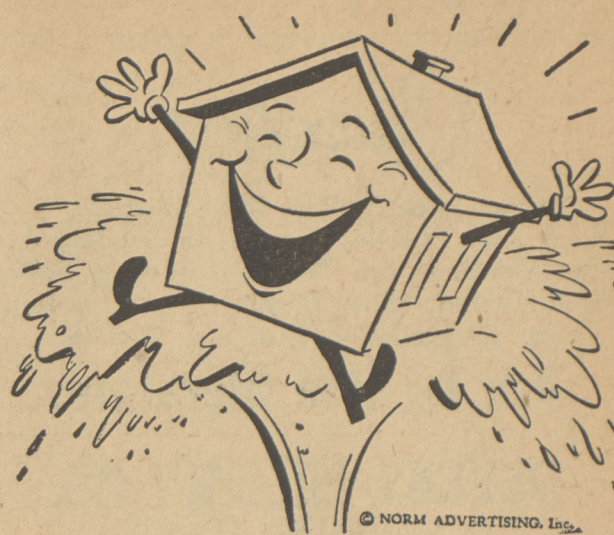

Plans were to hold the auction in the barn if it rained, but the goods crowded out the buying public, and this plan proved impracticable.
