

Bowling News

by DORIS MALLIN

Last week's awards went to Mimi Yuran who scored 193 in open play and Mike Corgan who posted 256 for high game at Crown Imperial Lanes.

So far this week, Rose Unger with 194 and George Audi with 241 are on top.

Superior Motors beat Crown Imperial C at St. Ignatius Saturday. The winning team had a total of 2999 pins and one game of 1027. N. Buynak was high for the C's with 202-510.

At Ashley, Crown A came through with 3 points taken from Cauly's Appliances who totaled 2532 pins to A's 2583. Yanik, with 201-538, and Garris, with a series of 536, helped boost the Crown A team.

Crown B bowled at home and lost 3 points to Publick's. B had one high game of 970 and B. Hogg with 223-560 was high man for the local team.

Back Mountain Neighborhood
Bob Moore, Printer, and Dallas Dairy are tied with 27 games and Dallas Hardware is close with 24 in Back Mountain Neighborhood League. These three teams continue to hold the limelight and it seems as though they have no competition. Let's hear what the other teams are doing!

Kunkle Booster Pump did come through with high total pins of 2710 last Monday. Is there any chance of their becoming one of the top three?

Dallas Hardware had one high game of 953 and J. Krincek was

high with 239-599.

Church League
Shavertown B gained 4 points and increased their lead by 6 when Trucksville A dumped the challenging Lutheran team 4-0 in its drive for first place. The A's now stand third, 3 points behind the Lutheran team, with Dallas B bearing down just one game behind.

Trucksville A scored with 899-2548 and individual high was posted by Wilbur Morgan with 219 and Elwood Swingle with a series of 580.

Elmerest Teenagers
Ken Woolbert was the star of Teenagers League last week when he hit 173 and 460 for individual high. The Knights was the winning team with 553 and 1536.

The Imperials still lead with .736 having won 26.5 games to date, 2 games ahead of the Zorroes who are well-settled in second place.

St. Therese's
The new St. Therese's League started off with a bang Friday night and the Annihilators and the Wreckers took 4 points each from the Crusaders and the Raiders.

Russell of the Wreckers, was high with a series of 573; he and Ed Havarilla tied with single high games of 203. The Annihilators were tops with 2285 total pins.

Harveys Lake Women
The Lake Women's Service Club is featuring the Old Hickorys this week. The Old Hickorys are growing ahead of the Maples by 3 points and the Spruce are dropping down the line with 19 games. The Maples,

however, started by taking high single and total with 657 and 1874. Ann Crake was high individual with 174 and 453.

St. Paul's Women
Flowers bloom in December in St. Paul's Lutheran Women's League. The Roses and Morning Glories are at their peak with 30 wins each and the Petunias are doing very well with 28. The Lazy Daisies must feel they should live up to their name, having won only 16 games to date.

The Petunias opened up quite a bit with 694 pins in one game and 2022 for 3 game series.

Jean Inman was high with 171 and Dot Jones bowled a series of 455.

Idetown Bears
The Paddys are highest of the Idetown Bears with 20 points followed by the Polars with 16. The Teddys also took one game high of 706 and total pins of 1887 for 3 game series.

Bruce Ide, Dallas, was the highest man of the evening with 193-516. Becky Casterline was high woman with 155-387.

Dallas Women
Nesting in the top branches of the Dallas Women's Club League, the Robins with 24 games are just a little ruffled with the Canaries trying hard to move in just 2 1/2 games away. The Bluebirds are a little too close with 21 games. Another day like last Thursday will put them on top; they had a high game of 573 and 1514 for the series.

Evelyn Roberts is again in the spotlight with 174 and 508 for a series.

Denmon Girls
The once mighty Trojaneers in Denmon's Service Station League are not feeling so mighty lately since a definite streak of bad luck seems to have hit them. They lost two games and total pins to the

Airmasters Tuesday night, giving up the second place to them by 1 point. The Pacemasters won 4 points from the Super 5-D's and took a tighter grip on first place. The Milemasters were forced to forfeit 4 points to the Milers because only two team members were on hand to bowl.

The Airmasters had highest game of 679 and 1974 total pins.

Marie Cicarelle was high with 186-488 and had another good game of 160. Also rolling in the 160's were Flossy Lewis, 167; Mary Dimmick, 166; Ruth Stair, 162 and 160; Mary Weale, 161.

St. Paul's Brotherhood
Led by Sherwood Krum with 240 and 647, the Spectaculars took 3 points from the Needlers to tie in first place with the Stunners in St. Paul's Lutheran Brotherhood League. The Stunners split with the Breakers, 2-2.

Tom Reese with 243 and 562 helped the Wonders to come out of their slump with 4 points taken from the Chargers. The Splashes took 3 points from the Blazers and climbed out of the cellar.

The Wonders scored 871 for one game and 2525 pins spilled by the Splashes was the highest series.

Natona Girls
The Cardettes came through again this week and took two points from the Natonettes. Come on, girls, you have a long way to go!

The Natonettes were high with 468-1314. Lois Marr was highest individual with 416-399.

Back Mountain Firemen
All three leading teams of the Firemen's League were pressed hard to win Monday night, and win they did. Lehman A, Trucksville A, and Dallas A came through with 4 points each. Dallas B with just a single win, stopped Jackson A's effort to regain third place. This

Shavertown Trims Saints

Last season's play-off champs, Shavertown Methodist, won its opening game with an easy 57-42 win over a smaller St. Therese's outfit. The rebounding of the two big men, Ernie Widmann and Bob Hontz was outstanding along with their scoring.

The latter two, along with Bellas, combined for a total of 42 counters between them. The Saints missed the services of their big man, Len Kozick of whom much is expected. Shavertown jumped off to a quick 12-0 lead before the Saints could get their bearing. They led at half-time 32-17.

Huntsville Downs East Dallas

Huntsville downed East Dallas in a low scoring affair by a 36-28 score to get off on the right foot in hopes of regaining the league title. Huntsville was led by Clint Brobst and Llewellyn with 23 points. East Dallas also presented a small outfit but fought all the way before bowing to the veteran Huntsville team. Huntsville led 13-11 at half time.

Alderson Drops One 63-34

With neither team showing too much of an attack for the first three quarters, Alderson suddenly came to life in the fourth period and ran the losers into the boards with a

24-point scoring spree led by Hinkle and Shales. These two garnered 36 points between them. Alderson led at half-time by a 29-13 score.

OLD TROPHY DINNER

Against my better judgment, I have consented to write a few articles on current happenings in the world of sport supposedly interesting to fans in the Back Mountain area.

It was certainly a treat to be the guest of Dallas Rotary Club at its annual Football Banquet last Thursday, and to hear and see what went on. It was probably the outstanding banquet Rotary has put on since establishment of the Old Shoe Trophy.

John McKenna, head coach at Virginia Military Institute, was the main speaker, and was all that anyone could expect of the coach of the twentieth ranked team in the nation. Many commented that it was understandable why his team was so good. John is one coach who ranks brains before brawn, and this is not any malarkey. It is the wish of many that John McKenna will be back with us before too long.

Dr. Les Jordan, president of Rotary, made the presentation of the trophy, and I might add, in record time. The speaking was kept at a minimum by the genial toastmaster, Joe Sekara, and everyone seemed to enjoy the whole affair. They get bigger and better each year and I am looking forward to the one in 1958.

I believe that a good precedent was set when the club threw the

Westmoreland May Have Top Notch Quintet

Meets Forty Fort Tonight After Four Straight Victories

With a string of four straight victories to its credit, Dallas Area basketball team will meet Forty Fort tonight on the latter's court.

Forty Fort bowed to Tunkhannock Tuesday night by a score of 62 to 31 while Dallas Area was lathering West Catholic 62 to 49.

So far Dallas Area has defeated Lake-Noxen twice; Hughestown, and West Side Central Catholic and has two more exhibition games (tonight against Forty Fort and Tuesday night against Wyoming) before opening the league season at home on January 7 against Fairview.

The Outlook
Dallas Area basketball teams under Clint Brobst, coach of the 'varsity, and Robert Dolbear, coach of the junior 'varsity, are getting plenty of practice for the coming league campaign.

As this is being written both teams are undefeated and have won handily. It is interesting to note that these same teams have in turn beaten some of the teams that Dallas Area will face in league play.

This harbors well for the locals, but there are some weak spots that will have to be taken care of if they are to make a name for themselves in the tougher North League.

On the 'Varsity are two of the slickest ball handlers and play makers that it has been my privilege to watch. After setting up the plays they are the ones that drive in for the score. These two boys, Mosier and Cooper, are sure to make their opponents in the league know that they have had a ball game.

In Strausser, Rome, Goddard and Dietz, Dallas has a scoring punch that should win most games.

These boys all have height and so far have looked fine against the opposition. After the first six, height is lacking, but this should be made up in the experience of many of the veterans who are pushing the first line for starting assignments.

The Junior 'Varsity looks like a veteran outfit when they prance out on the hardwood.

A starting team of six footers is something that many a coach dreams of, but seldom gets in high school. This in a nut shell is the story of the JV's. All starters are six feet or better and should make a name for themselves if they continue at their present pace. Sophomores predominate but some of the lowly freshman are giving them a good go.

These teams should be in the thick of things right up to the end and could very well end up in fourth or fifth place in the league for their first year. This should be satisfying to all Back Mountain fans.

Seating arrangements at Dallas Township gymnasium, where all home games are to be played, has been considerably improved and you should be able to enjoy every game.
