**Bird Club Asked To Help With Bird Count**

Bird Club members who wish to take part in the Christmas Bird Count on Saturday, are asked to get in touch with Edwin Johnson, president, who will assign definite times and places. An Audubon count requires eight hours, but is not necessarily performed by one person. Times will be arranged to suit members, and in short enough periods so that it will not be burdensome. Residents who maintain regular feeding stations may help in the count by phoning Mrs. Arnott Jones. These watchers will go on duty for only half an hour Saturday morning, and will report their findings to Mrs. Jones.
