Ruggles

Hi friends!
I hope everyone took advantage of the beautiful first Sunday of Spring. It was a lovely driving day, so we took our little ones and drove up to Jermyan, to visit the Frank Rychoak family. Of course, the ride couldn't end without ice cream cones (chocolate, no less). Well! it was a lovely day anyway — instead of looking back at three little chocolate covered faces, hands, coats and back seat, I stared straight ahead, admiring the scenery, pretending I didn't even feel it running down the back of my neck!

The Ruggles W.S.C.S. had an old-fashioned quilting bee at Mrs. Robert Traver's home last Thursday. Busy as bees were, Mrs. Daisy Crispell, Mrs. George Dendler, Mrs. Almon Rood, Mrs. Jane Koehler, Mrs. Ethel Koehler, Mrs. Mina Harrison, Mrs. Alan Kitchen, Mrs. Ralph Rood, Mrs. Darrell Loomis, Mrs. Bob Butler, Mrs. Glen Koehler, Mrs. Charles Williams, Rev. and Mrs. John Gordon and the hostess.

Mrs. Elizabeth Sorber of Dallas visited her daughter and family, Mr. and Mrs. Glen Koehler, Joyce and Allan the past week.

Mr. and Mrs. Charles Williams had as Sunday visitors, 'Charles' twin

brother and family, Mr. and Mrs. Thomas Williams, Dorothy, Jimmy, Russell and Jerry Culver of Trucksville.

Mrs. Jack Pimm underwent surgery last Friday. She is now improving nicely at the General Hospital.

Mr. and Mrs. Carl Smith, Danny, and Sandy visited Mr. and Mrs. Chester Keiper, Allan and Tommy, on Sunday.

Mr. and Mrs. Luther Hummel, Sr. were pleasantly surprised on Sunday, when their daughter and family, Mr. and Mrs. J. W. Allan, Jr., Butch and Mike "popped" in from North Carolina. Another daughter Mrs. Norman Loebensberg, and Karen joined them in Baltimore, Md. and they all drove home to see for themselves that "Dad" Hummel really is improving. It was a short but sweet visit, they left on Monday. The Jr. Hummels were on hand to greet them too.

X-Rays Reveal No Fracture Of Hip

Miss Nellie Knight, 86, who was taken to Nesbitt Memorial Hospital last Tuesday morning on suspicion of a broken hip, was brought back again a week later in Dallas Community Ambulance after X-rays had revealed no fracture. The first trip was made over snow-bound highways, the second through mixed snow and rain. Miss Knight's two sisters, Hortense Knight, RN., and Mrs. Georgia Straw, accompanied her to the hospital. Miss Knight had fallen in the bedroom of her home on Yeager Avenue. North Berti and Joe Hand staffed the ambulance.

Yield Right Of Way Signs To Be Tested

The Department of Highways this year will experiment with "yield right-of-way" signs to determine their effectiveness as traffic control devices, Secretary Lewis M. Stevens announced today.

If the signs prove effective, before they become a permanent traffic fixture along the Commonwealth's highways the General Assembly will have to make provision for them in The Vehicle Code.

Yield right-of-way signs are used in some other states to eliminate unnecessary full stops for vehicles entering a main highway from a subsidiary road.

The signs will be erected at some 30 to 50 locations throughout the Commonwealth on the recommendation of traffic engineers in the Department's 11 engineering districts. The signs have been requisitioned from the Departments sign shop and will be erected as soon as they are available.

State Police will assist Department personnel to observe how well the signs serve their purpose. Accident history before and after erection of the signs will be studied.

The signs are triangular in shape and each side is 30 inches. Letters are black on a reflectorized yellow background.

Locations for the signs will be non-right angle intersections where visibility is good and where traffic volumes on the main and subsidiary roads are light enough to permit smooth merging of traffic.

At some intersections, such as where ramps meet controlled access highways and where there is an acceleration lane, stop signs will be removed and yield right-of-way signs substituted.

Philadelphia and Pittsburgh are using yield right-of-way signs experimentally. Those communities do not have to have Department of

AMERICA'S FAVORITE FAMILY WAGON...PLYMOUTH

Plymouth carries more . . . does more . . . provides more family fun than any other wagon in the low-price 3 because it's BIGGEST IN THE LOW-PRICE 3. You can't buy bigger at any price!

Maybe you're a station wagon family right now. More Americans are each day! But do you know all the really astonishing facts about the Plymouth wagon . . . how much more it gives you than other wagons, at a low budget price?

Size alone is only part of it! The Plymouth wagon is big as wagons in the high-price field that cost \$5500 and more . . . but, in addition to extra size, this glamorous beauty offers a wagonload of other features that are exclusively Plymouth in the low-price 3!

You simply can't get 'em anywhere else in the field. And once you try them . . . learn how little the years-ahead Plymouth wagon costs . . . you'll never settle for less! Why should you? Your Plymouth dealer has the money-saving story, and he's waiting for your visit.

5 big reasons why your wagon should be a Plymouth:

- 1 BIGGEST OF THE LOW-PRICE THREE:** Big as wagons costing thousands of dollars more. You can't buy bigger at any price! 122" wheelbase.
- 2 HOLDS SO MUCH MORE THAN THE "OTHER TWO":** Over 7 cu. ft. more passenger and cargo space. Extra "secret luggage" compartment in 6-passenger models.
- 3 REAR-FACING 3rd SEAT:** Folds flush into the floor; you don't have to store it outside when it's not in use. Easy to enter.
- 4 DISAPPEARING REAR WINDOW:** Rolls down into tailgate. Doesn't get in the way. Only Plymouth has it in the low-price field.
- 5 TORSION-AIRE RIDE—AT NO EXTRA COST:** Only on Plymouth in the low-price 3. Big-car luxury. No sidesway on turns or nose-dive on stops.

They don't come any bigger... Plymouth station wagons
