

# Bowling News

By DORIS MALLIN

Vern Pritchard paved the way for Trucksville B's victory over Shavertown B when he posted high individual scores for the week with 256-587. His 256 tied Bob Moore's previous high in second place with season honors for individual game high. Dallas B took this week's honors for high game and team series on 952, 867, 937. Dallas B's 2756 nearly matched its own high series of 2778 and put this week's series in second place for the season.

**Natona Girls**  
The Natonettes are pulling way ahead of the Cardettes now with 24 points to the "Card's" 16. The Natonettes were high with a single game of 495 and 1399 total pins.

**St. Paul's Women**  
The Lazy Daisies, with 32 games, still hold the lead in St. Paul's Lutheran Women's League, but have real competition in the Pentanias who are close with 29. The Morning Glories and Roses are enjoying the spring sun, but are not growing very fast, the Morning Glories 11 1/2 games behind and the Roses even lower.

**Back Mountain Firemen**  
With two weeks of play left, Lehman A tightened its hold on first place by taking four points from Lehman C. Second place Dallas A just managed to hang on when they took Jackson B by one pin total and salvaged three points. Third place Trucksville A rallied after losing the first game to Jackson A to take their series. These four teams are certain play-off rivals.

**Cubs and Teddys Battle**  
The Cubs took three points from the Pandas last Tuesday, in a struggle to gain on the Teddys who lead with 54 points. The Cubs walked off with high single of 735 and series of 2018.

**Neighborhood League Tight**  
Robinson's Kennels remain in the lead of the Back Mountain Neighborhood League with 23 games, just a two game lead over Bob Moore's team and Dallas Dairy, who are tied in second place, and only four games ahead of Merle and Bob's Service Station.

**Kunkle Booster Pump** was high team Monday night with a 972 game and 2707 total pins. R. Timko hit 222 for high individual game and Al Bellas had a three-game series of 553.

**On Saturday night, April 12,** the first annual banquet of the Back Mountain League was held at Herman Kern's with Herman acting as toastmaster and Attorney Joe O'Donnell, the principal speaker. It was an interesting and enjoyable evening. Herman sang as well as ever; Attorney O'Donnell was an interesting and amusing speaker; and with Don Cosgrove at the piano, the fellows sang until they were almost hoarse. The novelty piece of the evening was Ernie Wolfe and the "Bones." A lot of people were pleasantly surprised to find Ernie very good talent.

**Dallas Women's Club**  
The Wrens are flying high these days in the Dallas Woman's Club League and outdid themselves last Thursday when they took three games and flew up into second place just two behind the Robins' 22.

**The Bluebirds** had 1589 total pins and took three games, one a high 566, and moved into third place with a total of 18 games. The Cardinals who were tied in second last week, dropped to fourth place. Evelyn Roberts was high individual with 210-543.

**Harveys Lake Women**  
The Maples picked up three more games last Tuesday and stretched the lead in the Harveys Lake Women's League to 10 1/2 points over the Pines.

**The Maples** took honors when they hit 678 in one game and tallied 1914 for the series. Ruth Williams was high with 206 and 476.

**Denmon Girls**  
The leading Pacemasters lost two points Tuesday night to the second place Airmasters, closing the gap between the top teams of the Denmon Girls to four points. The Trojaneers snatched up three points from the Milemasters and moved in a little closer with 22 points, five behind first place. The Milers took all four points from the Super 5-D's and rose up to fourth place.

**The Pacemasters** had one high game of 756 and tallied 1994 pins for three games. The Airmasters had a nice series of 1971.

Ruth Stair was high with two single games of 182 and 176 and rang up high series with a total of 494.

**Dallas opened the scoring** in the first inning when Clark took first on an error, followed by Pitcher Dymonds error on Williams' ground ball down the first base line. Dymond threw the ball into right field, Clark scored all the way from first with Williams pulling up at third. Dendler followed by hitting back to the pitcher, who threw Dendler out at first, while Williams lit out for home and made it.

**The third run for Dallas** was scored when Dendler was on third, Cook on second; the squeeze play was called. The pitch to the batter was bad and rolled away from the catcher, Dendler diving into home with the run.

**Meyers scored on a grounder** that eluded all fielders and went for a three base error. McGuire then scored on a grounder, while Clark was throwing out Evans.

**Ted Hons** running catch of a line drive over second with runners on first and third with two out in the fifth inning was the standout play of the game.

**He is Raymon R. Hedden,** former member of the 1931 football team at Cornell University whose captain a Cuban, Crestobal Martinez Zorrilla, was seriously wounded by the Batista forces while smuggling arms to the rebel Castro.

**A mutual friend of Zorrilla's** recently forwarded a Spanish language newspaper to Mr. Hedden which displayed a picture and story on its front page of the wounded Zorrilla.

**Mr. Hedden said Zorrilla** was an outstanding football player at Cornell and that he would never have expected him to get mixed up in a revolution—at least to the extent of smuggling arms.

The newspaper account said Zorrilla saved his life only by rolling underneath his 1947 Cadillac.

# Dallas Defeats Meyers High 3-1

Unearned runs played a prominent part in Tuesday's victory over Meyers High School at the Meyer's field in Wilkes-Barre, when Dallas outscored the losers 3-1. Lynn Dietz, freshman pitcher, was the choice of Coach George McCutcheon for the starting assignment, and showed his stuff by going all the way. Meyers used two pitchers, each giving one hit to the opposition.

Dallas opened the scoring in the first inning when Clark took first on an error, followed by Pitcher Dymonds error on Williams' ground ball down the first base line. Dymond threw the ball into right field, Clark scored all the way from first with Williams pulling up at third. Dendler followed by hitting back to the pitcher, who threw Dendler out at first, while Williams lit out for home and made it.

The third run for Dallas was scored when Dendler was on third, Cook on second; the squeeze play was called. The pitch to the batter was bad and rolled away from the catcher, Dendler diving into home with the run.

Meyers scored on a grounder that eluded all fielders and went for a three base error. McGuire then scored on a grounder, while Clark was throwing out Evans.

Ted Hons running catch of a line drive over second with runners on first and third with two out in the fifth inning was the standout play of the game.

# Hedden Played On 1931 Cornell Team With Wounded Cuban Rebel

At least one local man is taking more than passing interest in the rebel uprising in Cuba.

He is Raymon R. Hedden, former member of the 1931 football team at Cornell University whose captain a Cuban, Crestobal Martinez Zorrilla, was seriously wounded by the Batista forces while smuggling arms to the rebel Castro.

A mutual friend of Zorrilla's recently forwarded a Spanish language newspaper to Mr. Hedden which displayed a picture and story on its front page of the wounded Zorrilla.

Mr. Hedden said Zorrilla was an outstanding football player at Cornell and that he would never have expected him to get mixed up in a revolution—at least to the extent of smuggling arms.

The newspaper account said Zorrilla saved his life only by rolling underneath his 1947 Cadillac.

# Antics Of Students Disgust Former Dallas People In Ft. Lauderdale

From Fort Lauderdale, Florida, comes a letter and newspaper clipping sent by Mrs. Ann Davis, formerly of Pioneer Avenue. The newspaper clipping levels a severe blast at college students who spend their school holidays drinking and carousing on Fort Lauderdale's private beaches.

According to Mrs. Davis, "we had over 20,000 students here this year," and the newspaper adds, "they have turned the beach into a nocturnal bar and left it a garbage dump." Even more serious are the traffic and pedestrian problems caused by these mass migrations to the beaches and the sheriff's department has been unable to find a solution to the problem as yet.

Residents however are seething, mad and they are eagerly looking for a solution before next winter's fresh onslaught of over-active college students. It is possible that students going to Fort Lauderdale, in the future, will not be able to get the proverbial "sand in their shoes", that is, unless they are willing to sacrifice beer for papaya juice or coconut milk.

Mrs. Davis and her husband, Ralph, who were active in the Library Auction and Price of Peace Church when they lived here, operate the Dallas Motel in Fort Lauderdale.

In her letter she comments that "rooms rented to two college students are usually filled with six others sleeping on the floor under blankets before morning. I wonder if their parents know how their children enjoy the south?"

# Fishing Poor On First Day

About 1,000 Anglers Try Luck At Lake

First day of trout season drew an estimated crowd of 1,000 fishermen to Harveys Lake. Ice, some of which was still present, was blamed for the less-than-usual turnout.

For those who did show up, fishing was generally poor in spite of the fact that nearly 8,000 rainbow and 9,000 brook trout were stocked there in the past two weeks. Cold water was blamed by some fishermen for their poor luck while others suggested that the stocked fish had been too well fed.

Attending to the coldness of the water were two over-anxious boys who fell into the lake, one slipping from the bank and the other falling part way out of his boat. Results in both cases were confined to wet trousers and injured pride.

Early comers to the lake had an opportunity to enjoy an old-fashioned breakfast prepared by fifteen members of the Alderson Methodist Church Cleaners' Class. The breakfast, presided over by Mrs. Garvin Smith, began at 4 a. m. and ended at 2, during which time nearly 200 people had their fill of pancakes, eggs, sausage, bacon, hamburger, fried potatoes, home made pie, doughnuts and coffee.
