Freshman Class, accompanied by sponsors, Robert Somerville and Joseph Rakshys, attended Y. M. C. A. Career Day, Thursday, May 1.

The program began with an assembly in the main gymnasium. Rev. Robert Yost, chairman of the Back Mountain Branch Y. M. C. A., and J. Traver Nobel, president of Wilkes-Barre Y. M. C. A., greeted the students of various schools.

Robert Lambert, personnel manager of Wise Potato Chips Company, addressed the group.

Back Mountain Y secretary, George Pickett, instructed the students as to the activities of the day.

The discussion groups represented such vocations as civil service, F. B. I., music, teaching, radio and television, and others.

There were educational tours in the afternoon to Bell Telephone Company, WBRE, Osterhout Library and Wyoming Valley Historical Society.

Civil Defense Test
School children throughout Pennsylvania took part in a Nationwide Civil-Defense test for the first time on Tuesday morning.

The May test known as "Operation Alert 1958," will be the fifth National exercise held since the close of World War II, but the first to take place with all schools in session.

"For this reason," Dr. Richard Gerstall, State Director of Civil Defense, said, "special emphasis was placed on schools' self-protection measures."

COMING EVENTS

Here is a list of school activities taking place next week: Dallas Area baseball team will play Lehman at home on Tuesday.

On Wednesday the team will play Newport at home.

On that all-important date, May 16, the Junior-Senior Spring Prom will take place in the school gymnasium.

The baseball team will travel to Catawissa on Saturday to play the Catawissa club.
