Adam Features Men's Clothing

Father Founded His First Store In 1902

Clothes for dad and lad include just about everything a proud dad and his pocket edition of a son are apt to require, from pajamas and socks to neckties and fur-lined gloves.

The Adams shop in Back Mountain Shopping Center is owned and operated by Adam Hozempa, who inherited his name from his own dad and passed it on to his son.

The Hozempa family is not new in the retail business. It will retain the parent store in Edwardsville under management of Henry Morris.

Mrs. Hozempa will help part of the time in Shavertown, at such times as Adam, 12, and Beth, 6, do not require her attention at home.

Mr. Hozempa, Sr. died in 1945. He founded his first store in Edwardsville in 1902, moving to the present location on Main Street in 1922.

The Shavertown store will handle suits, topcoats, and work clothing, nationally known brands of proved value. Mr. Hozempa expects to add to his stock as soon as he assays the demand. Right now he has some beautiful soft wool shirts from the Woolrich Mills, and is carrying a good stock of car coats.

Scotties Close A Fine Season With 19-12 Win Over Cowboys

Lopasky And Walters Get Touchdowns In Thrilling Encounter At West Wyoming

Putting on sustained marches for three touchdowns Lehman Scotties closed the season on a happy note with a hard fought 19-12 win over a scrappy West Wyoming eleven at Wyoming Memorial Stadium Saturday in a drizzling rain.

After suffering a lone setback by Wilkes-Barre Township two weeks ago, Lehman took over on its own 45-yard line after a West Wyoming punt and in ten plays marched 55 yards with Lopasky cranking over from the one yard marker. Walters plunged for the extra point and Lehman led 7-0. Lopasky gained 44 yards on the drive.

Sartno, a fleet-footed half-back and a thorn in the Scotties' defense most of the afternoon, took the kick-off on the 15 and returned it to the 38 from where the Cowboys marched 62 yards in eight plays to cut the Scotties lead 7-6. The big gain in the march was Sartno's run of 31 yards to the Lehman 18. Five plays later West Wyoming's fine fullback Lenny Karrotts crashed over from the one. The extra point was stopped just inches from the goal line.

Both Teams Score Again Two plays after the West Wyoming score the quarter ended with Lehman in possession on its own 25. Failing to get a drive underway Lehman's Lopasky punted to the West Wyoming 37 where Sipper hauled it in and returned to the 49. On first down Sartno once again slashed through the Scotties defense for 17 yards and a first down on the Lehman 34. With Williams and Karrotts doing most of the carrying they moved the ball to the five in six plays and from here Sartno scored and put West Wyoming into the lead 12-7 as the extra point failed.

Thomas took Williams' kick on the 10 and moved it back to the 30. After picking up one yard on two plays Lehman lost seven yards on a fumbled backward pass that gave the Scotties a fourth and 16 on their own 24 yard stripe. With Lopasky back to punt and the West Wyoming defense setup for it Joe took the snap and ran to his right where he spotted his right-end Duhil wide open in the right-flat for a pass. Duhil took the pass on the 37 and moved it up to the 45 before being hit. After a running play moved the ball to the 49 once again Lopasky took to the air and hit his fullback Donny Walters with a pass on the West Wyoming 40 and he moved all the way to the 19 before the West Wyoming defenders could haul him down. Three plays later

Lopasky hit off tackle for eight yards and vaulted the Scotties back into the lead 13-12 which they never relinquished. The extra point was no good.

Scoreless Third Period The third quarter was a defensive battle. Neither team could push over a marker although West Wyoming was on its way for a score when a fumble stopped it on the Lehman seven midway in the third stanza.

After a pass interception by the Cowboys on the Lehman 46 West Wyoming moved the ball to the Lehman seven with Williams and Karrotts doing most of the gaining and Greskiewicz completing two quick passes to his half-back Fred Williams. Sartno at this point made his biggest mistake and probably his only one of the afternoon. Hit hard by a host of Lehman tacklers the ball squirted from his hands. Ben Rusiloski fell on the slippery ball on the seven.

Taking over at this spot the visitors used 10 plays to move the ball out to the 39 where the period ended.

March 93 Yards For Touchdown It took Lehman 15 more plays to move the remaining 61 yards to wrap up the scoring and a sure victory.

Lopasky and Walters again ripped off sizable chunks of yardage for the winners in the sustained march. Lopasky completed one pass good for 15 yards to Goodwin after a five-yard loss. The big play was Lopasky's 21-yard dash to the 15 after a 15-yard penalty against Lehman. Walters went over from the two but the play nullified by a five-yard penalty moved the ball back to the seven. Lopasky powered his way to the one and on the next play Walters went in for the score. The extra point failed, Lehman led 19-12.

Trying to get back in the game West Wyoming quarterback Greskiewicz took to the airplanes only to have the Scotties' linebacker Ben Rusiloski pull it in on his own 41 and return it to the West Wyoming 41.

From this spot Lehman moved to the 17 where the attack stalled and Lehman lost the ball on downs.

West Wyoming got another shot to tie and Greskiewicz hit the end

Gatti with a pass on the 33. With time for one play, another pass was completed to the Lehman 47 but a penalty nullified it and gave them one more shot since West Wyoming accepted the penalty and moved the ball to its own 48. On the last play of the game Ben Rusiloski hauled in another interception on his own 40-yard line and raced all the way to the West Wyoming 30 before being tackled.

Lehman finished the season with an 8-1 record.

Winner of Lucky Key Award Rates Two Weeks In Florida

Carl Roberts, Demunds Road, has won himself and his wife a two-weeks vacation in Florida, along with a lucky key from Bob Hanson's Crown Imperial Bowling Lanes.

The Lucky Key, sponsored by station WNAK in Nantook, was given Carl for a score of over 200 at the Bowling Lanes, along with 399 similar keys, during the two weeks between October 19 and November 1.

Monday morning at 8, while Carl was out on his milk route for Dallas Dairy, Mrs. Roberts heard the lucky key number announced over the radio, looked at Carl's key to make sure it was number 8898, and called the station.

It was the big prize, topping the fifty RCA radios given during the prize period. Tom Reese won one of the radios, but there were no other Back Mountain winners.

Sometime during the off-season for Florida tourists, Mr. and Mrs. Roberts can cash in on their luck. They can go on December 7 for two weeks, or they can wait until April. Arrangements include limousine service from Dallas to Avoca; plane

trip from Avoca to Sarasota, Florida; limousine to a leading hotel; two weeks of free food and fun, travel, sight seeing, and excitement; and the trip in reverse, back to Dallas.

Bob Hanson is one of the co-sponsors of the prize program, owner of the only bowling alley which had keys to give away. Bob says he gave keys to men making 200 or over, keys to women making a score of 175 or over.
