Girl Scout Cookie Sale Mapped

District chairmen of Wyoming Valley Council of Girl Scouts met at headquarters to map plans for this year's cookie sale February 7 through February 28.

Mrs. Donald O. Coughlin, Forty Fort, general chairman, stated proceeds will be used for Girl Scout camps and to reduce the debt on the new swimming pool at Camp Onawandah. She said four cents on every box will be returned to the troops and that this year no orders will be taken in advance. All sales will be direct. Scout officials are hopeful of selling 100,000 boxes.

Pictured above, seated, left to right, are Mrs. Charles Edmunds, Wilkes-Barre; Mrs. Donald O. Coughlin, Forty Fort; Mrs. Michael J. Stanislaw, Edwarsville; standing, Mrs. Michael L. Weiss, Nantioke; Mrs. George P. Williams, Kingston; Mrs. Robert W. Brown, Dallas, and Mrs. Thomas Lehman, Kingston.

Girls Win

Girls' basketball team scored a victory over West Central Catholic Thursday in Westmoreland's gym. Westmoreland pulled out in front at the start and stayed there to win 86-41. This was the first game of the season for both teams.

Next Thursday at 4 the two teams will meet again on West Central's floor.

On the team, coached by Mrs. Mabel Jenkins, are Carol Wagner, Sharon John, Coralie Higgs, Connie Veitch, Ruth Shales, Barbara Raph, Virginia Morgan, Joyce Sweppenhiser, Diane McDonald, Betty Chaple, Carol Newberry, Geraldine Goodman, Bonnie Jenkins, Grace Bachman, Marlyne Lipfert, Sandra Lee, Marilyn Eck, Donna Meyers, Lynne Jordan, Sue Kelly, and Linda Stevens.

Here's a complete line-up of next week's sport events.

Westmoreland's cagers meet Fairview at home Tuesday night. The JV game begins at 6:45.

Thursday afternoon girls' basketball team will play a return game with West Central Catholic on Central's floor.

The wrestling team will tangle with Lehman matmen at Lehman Thursday night at 7:30.

Friday night the basketball squad will travel to Wilkes-Barre Township for its second game of the week.

Square Dance

Don't stay home Saturday night! That's for squares! But no squares allowed at the Square Dance at 8 in Westmoreland gym. Carl Hanks and his orchestra will be there, calling out the promenade. The dance is being sponsored by the Westmoreland Band Association.

So grab your favorite girl and dosie-do 'round the floor.

At State Band

Geraldine Goodman, a member of the senior class and clarinet player in the band, is presently attending the All-State Band being held in West York Area School for a three-day period (January 29, 30, 31).

Geraldine, better known to her classmates as "Cookie," played in last year's State Band at Springfield; District Band Orchestra at Coal Township, and District Band at Stroudsburg.

"Cookie" also attended the Northeast District Band of Music Educators Association January 15, 16 and 17 at Tunkhannock High School with four other students from Westmoreland and accompanied by Lester Lewis, band director.

Tumbling

Miss Mabel Jenkins' gym classes are now tumbling their way down the gym floor on plushy mats.

For many girls, it was a first to advance the troop to Senior Scouting. We regret that there is no Senior Scouting in the Back Mountain area at present.

FOLK DANCING MONDAY

Girl Scout Troop 200 will instruct Brownies of the Idetown Troop in folk-dancing Monday afternoon at 4 at the IOOF Hall. As Brownies before attending Girl Scout status, they learned the dances, and will take as partners Idetown Brownies. Ruth Schenk and Ann Barnes will direct. Girls started their child-care badge work last week under direction of Mrs. Fay Hopkins, a requirement of second class Girl Scouting.

LEHMAN BUILDING

Basketball

On Thursday we will play West Wyoming on their floor, and on Friday, February 6, we play Swoyersville on our own court.

Wrestling

Out matmen will have two home wrestling meets. They will be with Westmoreland on Thursday, February 5, and Benton on Thursday, February 12.

Let's get out and support our teams. We have more interest being shown in our sports this year, but we really have a lot more room for a lot more of you to attend. We appreciate the interest shown by graduates and parents. Keep the adults coming. See you at the game.

Report Cards

Last Monday we received a very important card which means more studying. Yes, our report cards were taken home, and some of us really have our work cut out for us. If we didn't do well last quarter let's really get working and double the number on the Honor Roll for the coming quarter. Time is getting short to work for a passing grade in any subject. It's up to us, the students.

School Colors

We, the students, once more voted for our new school colors. We had a choice of three groups of colors. We voted for two combinations. The two winning combinations will be taken up again. The color combinations voted on were blue and white, blue and gold, and red and white. When the final results are known we will let you know.

Dress Up Day

On Friday Student Council is holding a Dress Up Day. Each student will dress neatly but moderately. The boys will wear slacks, crewnecks, or white shirts and sport coats. The girls will wear nylons, flats, skirts and sweaters or dresses. The punishment for not dressing up is complete humiliation before the other students.

The Student Council has placed posters all around school, with many interesting figures instead of words. Explanation posters are also in places for all to know when the Big Day will be. If this day is a success the Council is thinking of setting aside one day a month to carry on this subject.

Faculty

We are sorry to say that one of our Faculty Members, Mr. Edward Edwards, was in the hospital for a week. All his classes missed him very much. Mrs. Jane Ashburner took his place and we all want to thank her for her able handling of the math courses. Mr. Edwards will be welcome in his own seat when he returns.

Assembly

Mr. Arthur Nuss, as Physical Education Instructor, presented a film on Cancer. Young people should pay more attention to these symptoms in order that they may avoid becoming victims. Janice Niezgodra read the Bible and led the Assembly in the Pledge Allegiance.

Band News

Band practice has been changed to Monday nights. Band practice this coming Monday will be held at Lehman building, 7 to 9.

Band Sponsors

Band Sponsors organizations of Lake-Noxen, and Lehman-Jackson-Ross are meeting in committees to try and form one Band Sponsor Unit.

Since the band have been united,

Important But Somewhat Late Wrestling News

January 14 Lake-Lehman wrestling team defeated West Side Central Catholic by a score of 20-15 to make it five straight wins. Two of these victories were Rural U.S. League meets.

During the week the team was at home with Clarks Summit in a league contest on Wednesday night. On the following night Lake-Lehman Junior Varsity team traveled to Tunkhannock to meet the Tunkhannock Varsity in an exhibition match.

Elementary Projects

Throughout the elementary grades of one through six, a great deal of interesting and valuable work is being done. This week your reporter visited these educational workshops and found many varied activities being carried on. This is a special report designed to acquaint the readers with the extent of progress in the grade school department.

First Grade: In the newly redecorated first grade room these facts come to light. In September there were forty-four boys and girls enrolled in the first grade. Some have returned to their homes in various states. The first grade was glad to have Shereen from Virginia, Philip from Arkansas, Randy from Texas, and Jeffery from Oklahoma. Now they are losing one of their very own. Ricky Hummel is moving
