Spaghetti Supper

Even the Italians would be envious of the spaghetti served at the girls' basketball banquet last Wednesday night. Hot rolls, cabbage salad, cake and ice cream completed the menu.

Mrs. Nelson McDonald, Mrs. Frederick Eck and Jennie Hill prepared the meal in the home-economics room. Despite inquiry, no one would reveal how much spaghetti was consumed.

The sophomores gave their senior teammates an informal testimonial which won't be forgotten. The team of '59 presented the coach, Miss Mabel Jenkins, and their loyal fan, Miss Jennie Hill, with gifts. After dinner old-fashioned silent films were shown.

Attending were: Miss Mabel Jenkins, Miss Jennie Hill, Clint Brobst, George McCutcheon, Connie Veitch, Carol Wagner, Coralie Higgs, Ruth Ann Shales, Barbara Raph, Lois Ryan, Virginia Morgan, Geraldine Goodman, Carol Newberry, Sharon John, Diane McDonald, Betty Chapple, Bonnie Jenkins, Dorothy Mathers, Marilyn Eck, Lynne Jordan, Donna Meyers, Marlyn Lipfert, Grace Bachman, Sue Kelly and Linda Stevens.

Phew!

With knives poised and pins in hand, the sophomore biology class enthusiastically began dissecting. However, the enthusiasm wore thin as the odor of formaldehyde grew thick. Lab period lost some of its glamour and that text book began to look inviting.

Any practical use for slightly worse-for-wear starfish will be welcomed.

Vacation

That long dreary stretch between December and April is nearly at a close.

After dismissal from school Friday, students will not return until Tuesday, March 31.

Both students and faculty welcome this long Easter vacation. When they return, spring will be well underway.

Florida Bound

Sharon John, an attractive member of the senior class, flew to Florida last Friday for her health. She is a cheerleader and member of the girls' basketball team.

Let's hope her stay in Florida will be enjoyable, but we'll miss her and await her return.

Country Fair

In spite of Friday, the thirteenth, the Country Fair was a huge success.

Sponsored by teachers and P. T. A. to provide financial assistance to honor athletic teams and band, it was really a night of fun and frolic.

Valuable door prizes and special prizes were contributed by Dallas Drugs, Golden Quality, Grace Cave Shop, Crispell's Farm Service, Coca Cola Co., Gosart's Market, Whitesell Brothers, American Auto Store, Franconi Family, Pete Wolfe, Harron's Store, LaBar's Service Station, Mrs. Culp, Puterbaugh's Store, Lina Garinger, DeLuca's Music Store, Mrs. Malcolm Nelson, Mrs. Russell Dodd and Back Mountain Lumber Company.

An Intramural Wrestling League of seventeen boys will wrestle in the gym at noon until May 26.

Very Important Reminder

Don't forget the Junior Play at Lake - Noxen auditorium Friday night.

A one-act play, "Betty Behave," was presented by JoAnn Price, Helen Sidler and Carol Mather.

Russell Steele and Nancy Drapleski played a trombone duet accompanied by Dean Long.

Five boys with nickname, "The Blisters," sang "Peter Cottontail." This number was the feature of the program. Officers of F. T. A. are: president, Johanna Laskowski; vice president, Carol Stroud; secretary, Sarah Gregory; treasurer, Florence Watkins.

Champions

The school championship for girls' basketball belong to the Junior Girls. They are also champions of Senior High. The Junior High champions are the Freshmen.

Friendly Sight

Each morning when the students get off the school bus a friendly group of dogs meets them. We have seen some children feeding these animals. Although they are friendly, the school would appreciate the owners keeping them at home.

Chorus

Remember to come to chorus practices. Senior practice is on Wednesday night and Junior practice is on Thursday. The concert will soon be here. Practice will make it a great success.

Band

Band Sponsors have word from Ostwald Band Company that any one having his uniform cleaned should make special note that band uniforms be dry-cleaned using either

a petroleum solvent or else a perchlorethylene solvent; shakos should also be hand cleaned never placed in a vat. They should be cleaned the "shampoo way," using liquid Glamurene.

If you find it necessary to drop out of the band, your uniforms must be returned cleaned. The contract that you signed when you received your uniform states this.

The uniform was received clean and must be returned in the same condition. Cooperation has been extremely satisfying and we find the uniforms stay in good condition when everyone is aware of his responsibility.

Practice is one Monday night at Lake School and the following Monday at Lehman.

A rare treat is in store for all those who attend the Band Concert this year. The size of the band is a real test for Mr. Millauskas, but all of us in the band find he is quite capable of meeting this challenge.

Congratulations

Saturday, March 14, a special chorus of 25 freshman girls sang at the 70th Cynonfardd Eisteddfod at Dr. Edwards' Memorial Congre-

gational Church in Edwardsville. Our girls took first prize in competition for a choral group of 25 under 15 years of age. We are proud of the showing the girls made.

Faculty

Miss Saxe, one of our mathematics teachers, is a resident of Carverton Road. A graduate of Kingston High School and Bloomsburg State Teachers' College, she took graduate work at Penn State and New York University. Most of her teaching career has been in this locality.

Her hobbies are baking, fancy work and reading. Miss Saxe is active in Business and Professional Women's Association, Pennsylvania State Education Association, Delta Cappa Gamma and is a life member of the National Education Association. She has served as president of the District Mathematical Teachers' Council.

Spring Vacation

All of the students are looking forward to the Easter vacation which begins Friday. We are all happy for the extra long vacation this year, and glad that we didn't have to have any time off for bad weather.

No column will appear during the holidays, but we will return on April 2 with more Junior High News. HAPPY EASTER!
