Your Library

(Continued from Section B, Page 1) as your own ideas into the house you build or buy. Written by Harold R. Sleeper, a well known architect, and his wife Catharine Sleeper, it is a comprehensive guide covering the problems of house planning, house financing, house buying, house renting, house judging, and house furnishing.

The library has many fine books in its extensive garden collection which will aid you in making the garden pictured in your favorite magazine a reality. Living in the Back Yard by Borden Hall is a useful guide in planning beautiful and functional back yard living quarters. It includes ways to stretch the garden dollar by doing the work yourself. Further help for you who want to do it yourself can be found in How to Build Patios, Terraces, Barbecues, Walks, Fences, Awnings, and Gates by Louis Hochman.
