Harrisburg To Survey Situation At Lake-Lehman

Alternative Proposal For New Building, Or Space By Addition

Lake-Lehman School Board had as guest Monday afternoon at 2 Dr. James S. Tresslar, director of the Bureau of School Buildings, State Department of Public Instruction. Also present were Eugene S. Teter, superintendent of Luzerne County Schools, and his assistant Wesley Davies.

Last week's meeting at the County Office, saw approval of the application of Lake-Lehman Jointure for inspection of school facilities and building sites. Supplemental appropriations from the State depend upon provision of better facilities and improved educational program.

One proposal is construction of a new centrally located secondary school building, with an alternate, additions to existing buildings.

Supervising principal Lester B. Squier, assistant supervising principal Robert Z. Belle, president of the joint school board Edgar Lashford, Charles Frantz and Dean Shaver, board members, laid the foundations for further talk last week, when they met with Dr. Roy Cleaver, director of the School District Organization.

It was stressed that tentative proposals for building or additions, were not binding on the school board, providing merely a springboard for further consideration.

Services Friday For Obediah Skelding

Funeral services for Obediah Skelding will be conducted from the Williams Funeral Home Friday afternoon, with burial in Evergreen Cemetery, Rev. Charles Frick, pastor of Huntsville Christian Church of which Mr. Skelding was a member, officiating.

Friends may call this afternoon, 2 to 4, or in the evening, 7 to 10.

Mr. Skelding, 88, died Tuesday morning at his home on Franklin Street, Dallas, where he lived with his son Myron D. Skelding. He had been ill for four weeks.

His wife, the former Elizabeth Keener of Lake Township, died five years ago.

Mr. Skelding was born March 4, 1871, in Wilkes-Barre, son of the late Mr. and Mrs. William Skelding. He spent his boyhood in Wilkes-Barre, moving to Huntsville as a young man. For forty years, until retirement at the age of 65, he was employed by the Scranton Spring Brook Water Company at the Hillside Filter Plant.

He moved to Kingston for a few years, and to Dallas sixteen years ago. Survivors are three sons: Myron, Dallas; Francis M., Cincinnati, Ohio; Lester W., Bloomsburg; four grandchildren and five great-grandchildren.

Mrs. Janice Borton, 6th grade—People and Products of Brazil; Walter Prokopchak, 6th grade—Argentina, Our Southern Neighbor.

Special Education Class
One of the most interesting rooms in the whole school system is the ungraded classroom at Dallas Borough, where seventeen children of varying ages are taught by Miss Helen Anderson. Here, the children sit in a large, bright room, happily engaged in a variety of projects. On exhibition will be their work, cunning little green houses for wrens, knitted stocking caps, baskets, plywood piggy banks decorated in bright designs, cut-out Kachina Indian dolls, a line filled with gay cut-outs of the family wash.

BACK MOUNTAIN POLICE ASK YOUR COOPERATION

Back Mountain police have issued this warning to all home owners: "If you see a suspicious automobile or question why it is parked in your neighborhood, especially between the hours of 7 and 10 p. m., take the license number before you make any further investigation. Jot the number down and notify police." This is an important warning and may help to solve the series of robberies that have plagued this area. Remember, get the number first, before you make any investigation.

Police Dispose Of Stray Dogs

Eleven stray dogs, two cats and one skunk were disposed of during the past month by Dallas Police Department.

The skunk was dispatched at Fernbrook where residents feared that it might be suffering from rabies. Examination proved that the animal was not rabid.

Of the eleven dogs, four were picked up by Scranton Humane Association ambulance, acting for Luzerne County Humane Association. The Scranton ambulance also picked up the three cats.

Seven of the dogs were shot by local police officers.

Burgess Thomas Morgan and Chief of Police Russell Honeywell agree that one of their hardest jobs is to handle the problem of stray dogs. Neither wants to dispose of anybody's dog, but owners who permit their pets to run at the inconvenience of their neighbors have little affection for their dogs or respect for the rights of others.

When a dog wears no collar and has no license, Chief Honeywell is at a loss to know how to find the owner or to warn him. The only course is to dispose of the dog.

In some instances neighbors who know whose dog is disturbing them lack the courage to tell the owner themselves.

Cancer Crusade Opens Tomorrow

Cancer Crusade in the Back Mountain area will open officially tomorrow.

Many citizens have joined wholeheartedly in this concentrated effort to cut down the toll exacted from this dread disease.

A vast army of volunteers will join hands in an effort to educate the public in the early detection of this killer, to aid in the far-reaching research program, and to cut down the cancer toll.

Mrs. Fredric Anderson, Shavertown, will again head the campaign here assisted by Mrs. Harry Crawford, Goss Manor, as co-chairman. Community chairmen are: Dallas Township, Mrs. Franklin Gager; Dallas Borough, Mrs. Roger Owen; Kingston Township and Shavertown, East Area—Mrs. Charles Kisbaugh; West Area—Mrs. Algert Antantiss; Trucksville, East Area—Mrs. Fred Greenley, Mrs. David Mathers; West Area—Mrs. William Guyette; Carverton, Mrs. Glen Slickler; Jackson Township, Mrs. Edgar Lashford; Franklin Township, Mrs. John Coon, Jr.; Harveys Lake, Mrs. Gover Anderson; Lehman, Mrs. Gordon Dayer; Sweet Valley, Mrs. Richard Stroud.

Council Awards Contracts For Street Material

Burgess Morgan Asks More Consideration For Police Department

Contracts for materials to be used in Dallas Borough's budgeted \$7,000 street improvement program were awarded Tuesday night by Borough Council to Mathers Construction Company, Airport Sand and Gravel Company and American Asphalt Paving Company of Plymouth.

Mathers low bid for oil per 100 gallons was: C-1 and E-1 \$17.95; E-3 \$19.25; Colas \$22. Banks & Schiel Paving Company bid C-1 and E-1 \$18.25; F-3 \$19.40.

Airport Sand & Gravel bid on gravel B-1 and B-2 \$2.35 per ton; 4-inch \$2.50; American Asphalt bid for stone B-1 and B-2 \$2.20; screening stone \$2.50.

There were no other bidders. Councilman Harold Brobst, head of the street committee, said that in addition to bringing all streets into shape, Sterling Avenue will be paved and Main Street will be widened from the Titman and Hand properties to Huntsville Road.

Winter has left many of the streets in bad shape and these are being improved as rapidly as possible.

Daylight saving was adopted unanimously to begin April 26 and end October 25.

Audit of Borough finances was adopted unanimously and will be filed with the Clerk of Courts and advertised in The Dallas Post.

Councilman Robert Moore, reporting for the police committee, announced twelve arrests during March. Eleven were for passing red lights and one for illegal parking.

McDade Thwarts Robbery Attempt

Edward McDade, Dallas postal letter carrier, may have foiled a robbery attempt early Tuesday night at Mrs. Roscoe B. Lee's home on Terrace Drive.

McDade was notified by telephone at his home on Sunset Avenue that two men were prowling about the house and introduced R. E. "Pop" Neal, toastmaster.

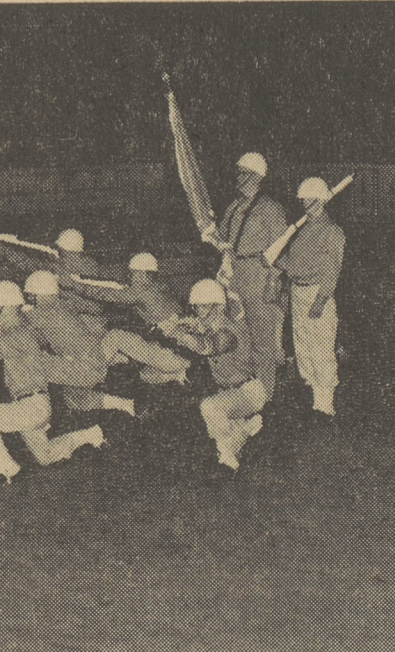

Brief remarks were made by James A. Martin, supervising principal of Dallas Schools; Frank Trimble, principal of Westmoreland High School; Charles Mannear, president of the school board; John Rosser, principal of the Junior High School; Archie Austin and Robert Dolbear of the school faculty.

Judge Paul Selecky of the Orphan's Court and Past District Commander of the American Legion, was the speaker of the evening, stressing the high morale and character building attributes of athletes, illustrated with many incidents from his work as a juvenile court judge. His remarks were so well received that both Rev. Father Frank and Rev. Arthur B. Mayo of Trucksville Methodist Church, asked permission to quote from his talk in their sermons.

Coach Clinton Brobst, himself a product of Back Mountain Schools, affectionately introduced the members of his team, Assistant Coach George McCutcheon and Faculty Manager Thomas Jenkins.

The benediction was pronounced by Rev. Mr. Mayo.

Rifle Discharge Fatally Injures Boon Companion

Byron Jones Dies Seconds After Bullet Pierces Heart

Careless handling of a .22 calibre rifle in the hands of a companion caused the death Friday afternoon of a 16 year old Westmoreland High School boy.

Byron Jones, shot directly in the heart, ran a few steps before he collapsed. He was pronounced dead on admission at Nesbitt Memorial Hospital, where he was rushed in Dallas Community Ambulance.

Services were conducted by Rev. William McClelland, rector of Prince of Peace Episcopal Church, Monday afternoon from the Williams Funeral Home. The boy was buried in Memorial Shrine.

Byron, with companions Richard Higgs, 15, and Marvin Mead, 17, all of East Dallas, were using the rifle in the John Sholtis yard on the Demunds Road. It is reported that Marvin, after shooting a bird, passed the loaded rifle to Richard, who discharged it. Byron was in the direct line of fire, five feet away, and received the full blast in the chest.

Richard ran after the wounded boy, made him lie down, and covered him with his coat, remaining with him while Marvin ran for help.

Richard and Byron were devoted to each other, ever since the Charles Higgs family moved to Demunds Road from Wilkes-Barre a year ago. Byron's parents, Mr. and Mrs. Lawrence Jones, are also recent residents of upper Demunds Road, moving from Meadowcrest to the former Woodruff Allen home. The three boys became fast friends.

Usually, the boys practiced target shooting on the Higgs place. By chance, they were shooting behind Mrs. Sholtis' home Friday afternoon. They had discharged their weapons, the Higgs rifle, and one belonging to John Sholtis, a student at State University. They were sitting around an open fire place, talking, at around 5:20, when a bird flew, and Marvin loaded the Sholtis rifle again.

Mrs. Sholtis' daughter had just started to return a cup of sugar to Mrs. Higgs, saying as she left, "I'll bring John's rifle back with me," when the fatal shot was fired.

An inquest will be held at Luzerne County Court House on Friday at 1:30, Atty. Robert Ronky, chief deputy coroner, officiating.

Byron is survived by his parents; brothers, Lawrence, Jr., Michael, Randall, Dana, and a sister, Gail; maternal grandmother, Mrs. Hazel Hogg, Detroit; paternal grandmother, Mrs. Marguerite Jones, San Carlos, Cal.

Byron was a junior at Westmoreland. Marvin is also a Westmoreland student. Richard is a student at Dallas Junior High School.

Westmoreland junior class was dismissed from school Monday afternoon, to attend the funeral.

Palbearers were classmates: Jerome Thomas, Richard Cleasby, Jay Farr, Robert Stokes, Joseph Zalt, and Frederick Price.

The ambulance was staffed by Johns, Shaffer and Hartman.

Surplus Food Registry

Surplus food registration for the Back Mountain will take place at Dallas Borough Building Tuesday, April 21.
