VAST CAVERNS excavated in granite by Swedish engineers provide Stockholm and other cities with some of the world's best civil defense shelters today. Built for only about 25 per cent more than surface construction costs, they provide up to 20,000 persons per shelter with protection from radioactive fallout, and also the blast from all but a nearby nuclear hit. Many shelters have peacetime uses, too, such as underground parking garages.

#### Local Pastor Attends Synod Meeting

Tuesday and Wednesday of last week Rev. Elmer G. Meissner, pastor of Holy Trinity Weith 1997 of Holy Trinity United Church of Christ, joined ninety other pastors Stoekline, will be the theme of the and laymen for the annual spring entire landscaping, but with the meeting of Susquehanna Synod of the United Church of Christ (Evansuch as lilacs. Eventually, indirect gelical and Reformed) in First M. Laing Fire Company, asks that Church, Sunbury.

One of the principal considerations of the meeting was the raising of their household, give him this Good Shepherd and his flock, is of salaries for officers of Synod to bring them more in line with other Seeding will be done as soon as Synods throughout the church.
