George Metz, 77, Dies At Home

George Metz, 77, in failing health for the past year, died early Sunday morning at his home in Carverton. He was buried beside his wife in Memorial Shrine Cemetery, Wednesday afternoon, following services conducted from the Williams Funeral Home by Rev. William Reid, pastor of Carverton Methodist Church.

Mr. Metz, resident of Back Mountain for more than thirty years, was an outdoor man, much interested in hunting and fishing. He was a member of Carverton Rod and Gun Club.

This year, in recognition of passing his fifty-fifth year mark as a graduate of Lafayette, he received a certificate. He graduated with high honors in the engineering course in 1909. When he retired from active work nine years ago, he was head of the engineering department at Lehigh Valley Coal Co.

He was a charter member of Dallas Rotary; belonged to Azalea Lodge, F. & A. M.; Caldwell Consistory, and Irem Temple. Church affiliations were Carverton Methodist.

Born at Lost Creek, he was son of the late Jacob and Mary Baker Metz. His wife, Clara, identified with Girl Scouting in this area and in Wyoming Valley, died three years ago.

He is survived by a son, Thomas, at home; daughters, Mrs. Betty Pace, Lincoln Park, N. J.; Mrs. Nancy Kelch, Arlington, Va.; Mrs. Barbara Casterline, Tunkhannock; sisters, Mrs. Alice Anderson, Somerville, N. J., and Mrs. Maude Beishline, Hazleton.

"PHYSICIANS TRUST ENTIRELY TO THE DRUGGISTS"

(Author's Name Below)

About fifty years after the birth of Christ, Pliny, the elder, warned of the danger of obtaining medicines from unreliable sources or people whose only interest in their sale was the profit to be made. He explained that physicians trust druggists who have a professional reputation to cherish and preserve.

There have always been some thoughtless or money-hungry people attempting to sell medicines, even though they have no knowledge of the problems involved. The simplest medicine requires proper cautions against possible dangerous misuse. We pharmacists have the knowledge to protect you.

Only One More Week To Wait For The World Girl Scout Round-Up

By MARILYN ECK, Post Correspondent

"Just one more week to wait!" This thought was uppermost in the minds of the three girls from the Back Mountain and the fourteen other girls from Wyoming Valley who were busily taking care of last minute details in preparation for the 1959 Girl Scout Round-Up which is being held near Colorado Springs, Colorado, from July 2 to July 12.

On Tuesday, June 30, at 1:30 p. m. the Wyoming Valley representatives, together with the forty girls from Scranton, will leave Scranton on the D. L. & W. special, destination Chicago.

Upon arrival in Chicago July 1, at 7:35 a. m., we shall breakfast and then board special buses for a sight-seeing tour of the city, after which we shall lunch, and then return to the station to await our 3:25 departure on a special train, transporting only Girl Scout Round-Up girls.

On the morning of July 2, we shall breakfast in the dining car, and at 9:35 a. m. shall arrive in Colorado Springs, where we shall immediately be transferred to the Round-Up site by bus. Here we'll join the 10,000 girls and leaders in setting up tents and getting situated for the coming ten days.

During our train travels we shall wear our Mariner or Senior Girl Scout uniforms, but prior to our arrival in Colorado Springs we must change into the official Round-Up uniforms of dark green Bermuda shorts, white blouses, and dark green knee socks.

For swaps, we have concentrated on swap items representing the industries of this area. Many articles of coal, such as paper weights and coal jewelry as well as articles made of leather, felt and ceramics will be traded with girls from all over the
