**More Layoffs At Linear**

Layoffs are continuing at Linear, Inc., as the result of a curtailment of production due to the steel strike. Eleven more girls and one man will be laid off today. This brings the total laid off during the present curtailment to forty-four and officials indicate that there may be more.

While Linear, Inc., itself uses little steel, many of its largest customers were affected by the strike.

**Pomeroy's Presents A New Face On Public Square**

Pomeroy's Department Store in Wilkes-Barre was transformed into one of the most modern stores in the nation with the dedication of a new front on the Public Square store.

The striking front is the third phase of a modernization program begun in 1954 when the store added more space, modern elevators, air conditioning and new lighting.

The second phase took place in 1957 when Pomeroy's purchased the former R. B. Wall Building on East Union Street and consolidated its four scattered warehouses into one. At that time several warehouses behind the main store were demolished to make room for additional parking space.

The new front completely covers the main building and the annex properties on either side. A

wide canopy runs the extent of the building offering protection to pedestrians as well as bus riders awaiting transportation in front of the store in all types of weather.

Pomeroy's is a subsidiary of Allied Stores Corp. which has nearly 100 stores operating from coast to coast with an annual volume in excess of \$600,000,000. Among the nationally known stores operated by Allied are: Jordan Marsh, Boston and Miami; Stern's, New York and The Bon Marche, Seattle.

Improvements to the local store cost about \$2,000,000, evidence that Allied has confidence in the future of Wyoming Valley . . . and in the future of downtown Wilkes-Barre as the shopping center of the area.

**SCOTTIES DOWN WEST WYOMING AS LOPASKY ROMPS FOR 4 TD'S**

**Lake-Lehman Finishes Season With 6-1 Record In Conference First Year**

Lake-Lehman, "newest addition to the West Side Conference, led by one of the most powerful running backs in Wyoming Valley, Joe Lopasky, came up with a surprisingly strong team this season to tie Forty Fort for league honors. Forty Fort lost its second game of the season and its only defeat to Lake-Lehman 27-0, while Lake-Lehman bowed to Wyoming 14-6 as both teams compiled 6-1 records in the loop.

Coached by Eddie Edwards, assisted by Art Nuss and Jay Zaleskas, the Scotties presented a fairly good line in Dubil, Rittenhouse, Disque, Young, Rusnak, Niezgodna and Yenchu from end to end with such capable replacements as Crisman, Sidler, Rinken, Bebey and Donnelly. In the backfield Joe Lopasky was the big name backed up by Thomas, Benny Rusiloski and Anesi.

Playing before some 450 estimated fans in a driving rainstorm Lake-Lehman led by pile-driving Joe Lopasky mauled West Wyoming 34 to 14 as Lake-Lehman's ground attack accounted for four touchdowns all by Lopasky and a pass Lopasky to Yenchu accounted for the other score.

The opening quarter played in a light rain saw Lake-Lehman score early but the second period turned out to be played in a torrential downpour as the field turned into a lake practically with all yard markers obliterated from the rain and mud.

**23 Touchdowns**  
The four touchdowns by Lopasky, as he closed out his high school career, gave him a total of 23 for the season and an estimated 14 points after TD's for an unofficial 152 points on the season.

Lopasky gained a net total of 285 yards on 33 carries for a 8.5 yards per carry. In the final three games of the season Lopasky accounted for 774 yards in 82 carries.

**Dubil Recovers Fumble**  
Sartino took the opening kick-off from the 10 to the 20 where he was hit hard by Bill Sidler and the slip-

pery ball squirted from the ball carrier's arm and Mike Dubil recovered for the Scotties on the 21 to set up the first touchdown.

Four straight running plays by Lopasky gave the Scotties a TD as Joe Drove over from the seven and then plunged for the extra point and a 7-0 lead.

Minutes later the Scotties moved from their own 41 to the West Wyoming 20 before Lopasky was stopped a yard short of first down.

**Lopasky Races 70 Yards**

Following an exchange of punts the first period ended with the ball on the Lake-Lehman 30 yard line. Then the rains came and so did "Mr. Lopasky" to start the second period. On the first play from scrimmage Joe shot up the middle and then cut for the outside and sloshed his way 70 yards to paydirt along the sidelines. He also ran the extra point and Lake-Lehman led 14-0. Both teams threatened when Sartino ran the kick-off back 40 yards before being hauled down by Joe Lopasky at the Lake-Lehman 40. The drive ended at the 33 however when Dick Disque recovered a fumble. Lake-Lehman drive to the West Wyoming 25 as the half

ended.

**Yenchu Scores**

During half-time the rain ceased but the Scotties came roaring back to start the third period as they marched 67 yards with the pay-off a 17 yard pass to Yenchu for the score when it appeared the attack had stalled following a fumble which lost eight yards and then Lopasky lost four yards. On fourth down Lopasky threw the first pass the Scotties attempted and it resulted in Yenchu scoring his first TD of from where the Scotties moved 50 yards for another score. Lopasky hit to the 37, then Thomas dashed to the 17 only to have a 15 yard penalty put the ball back to the 32. From here Lopasky went around end for his record breaking touchdown, number 23. The extra point failed. Score 34-7.

After Anesi made a circus catch for an interception at the Lake-Lehman 24 the Scotties failed to pick up a first down with second stringers in action and Anesi went back to punt. Anesi fumbled the wet pigskin and West Wyoming took over on the Lake-Lehman 23.

Five plays later Amato bucked over from the two. Morgantini took the pass for the extra point and the

final score stood 34-14.

Lake-Lehman picked up 13 first downs to West Wyoming's 6. West Wyoming passed eight times completing three and had one intercepted while Lake-Lehman completed two out of three.

Lake-Lehman finished with a 7-1 record by beating Nescopeck in a non-conference tilt.

**Has Same Picture Of Stull's Mill On Plate**

Our good friend Bess Klinetob called up from Sweet Valley to say that the picture on the front page of last week's issue of the Dallas Post was Stull's Mill, and that as a young woman she was given a plate with a souvenir picture of that same mill, by the Mrs. Hill who used to operate a small store near the trolley line at Alderson.

Miss Klinetob used to drop into the store to wait for the trolley, and to use up her spare time, performed various small services for Mrs. Hill. Mrs. Hill gave her the plate, and years later Miss Klinetob gave it to her friend Mrs. John Hildebrand, now of Machel Avenue.
