Co-Champions

Mud and rain didn't dampen our team's spirit Saturday. They really deserve a lot of credit, not only Saturday's win over West Wyoming, but for the whole season. The win tied us with Forty Fort for co-championship.

Appearance of the band was cancelled; but some of the cheerleaders came out to cheer the team to victory. Even during the downpour, the team and cheerleaders kept up the good work.

Honored

Parents of football players were honored Saturday by the Student Council. Each mother received a white carnation and each father received a cigar, after they went out on the field with their son.

The team will be honored at two banquets this week.

Tonight, November 19, a banquet will be given by Dallas Rotary Club at Irem Temple country club in their honor for being Back Mountain Champions.

Football mothers always give the boys a banquet whether they are champions or not. It will be this

Saturday night. F.T.A.

Last Thursday, a tea was held to acquaint parents and teachers with school programs during National Education Week. Thursday morning F.T.A. gave each teacher a pom-pom. Men received boutonnières and the women received clusters of three or four flowers. They appreciated them very much.

Yesterday the senior, junior and two sophomore members of the club taught elementary grades at Lehman and Ross. Since the senior and junior members had first choice, the sophomores were drawn by lot. They put their names in a pan and two were chosen. Teaching a grade gave each Future Teacher a chance to realize some of the problems of teaching.

Senior Play

Willies Weekend will be presented tomorrow night at Lehman Building. The tickets may be purchased from any senior. The curtain will go up at 8:00 P.M. The play is under the direction of Mr. Clarence Oakley.

Assembly Program

Mr. Thompson gave an interesting glass blowing program at assembly Wednesday morning. It was one of the Assemblies paid for by the magazine campaign. He made a bird, boat, vase and a magnifying glass. These articles were on display at school so students could have a closer view of them.

Glass blowing is becoming a lost art. There are just four families left in the United States participating in the art.

Lake Sophomores Dance

A Record Hop sponsored by the sophomore class will be held at the Lake Building, November 25.

A turkey dinner, with all the trimmings was enjoyed by all.

Present were Mr. and Mrs. M. L. Ruch Jr., Mr. and Mrs. M. L. Ruch Sr., Mr. and Mrs. Forrest Kunkle, Mr. and Mrs. Merton Coolbaugh, Mr. and Mrs. Donald Britt, Curtis and Carol Britt, Mr. and Mrs. R. This Week AT THE COLLEGE

By PAM ROCH

A second program, planned to introduce faculty and parents, will take place Saturday.

This Parent's Day program includes registration and a tour of the campus during the afternoon, a buffet dinner in the college cafeteria, and a Father-Daughter Dance in the evening. Preparations for the day are the responsibility of the Junior Class.

Dallas area members of the class Antoinette Wisniewski, Dallas, Claire Schall, Harveys Lake. We certainly hope that this will be a successful day and an enjoyable one for parents, faculty, and administration. Naturally, we students will have a ball!

On Sunday the Sodality of the Blessed Virgin will present a Fashion Show in Walsh Auditorium, 8:15 p.m. Fashions will be from House of Fashion of the Narrows. The theme is Fashion Simplicity.

On Tuesday, November 10, Redmond O'Hanlon, Shakespearean scholar, addressed the student body. He appeared several years ago on the TV show, "The \$64,000 Quest-

ion". He spoke about the puns which are liberally sprinkled throughout Shakespeare's plays—he estimates that there are 3500 such puns on words in Shakespeare! In his words, the program was a wonderful Shakespearean! Happy Thanksgiving!

Gas Oven Blows Up In Kunkle Residence

A gas oven in Kunkle exploded Monday afternoon, but without doing greater damage than scorching the socks of the baby-sitter at the Robert Miller home. The four children were at the home of their grandmother, Mrs. Ruth Lozier, while Esther Jones, the baby-sitter, got supper. As she lit the gas oven to heat a casserole, the oven spouted flame.

The Miller family had a near-tragedy three years ago, when two-month old Gerald Miller was badly burned about the head and hands when an older brother dropped a cigarette lighter into his blankets as he lay on the front seat of the family car in front of Dallas Hardware Store.

Omission Corrected

The names of Mr. and Mrs. Jack Stanley were inadvertently omitted from the list of Dallas School District board members and their wives, who attended a recent dinner meeting.

Recently Westmoreland was honored by having one of its basketball players chosen among the 500 top players in the United States, and the top eighteen in Pennsylvania. Peter Letts, a junior, is back again this year with the team. Congratulations, Pete!

Mr. Carr's eleventh grade Physics class recently enjoyed a movie on transonic flight, more advanced than had been expected, but someone might soon be explaining transonic flight to you.

Last week Susan Taylor, a sophomore, moved to New Jersey.

Westmoreland participated in National Education Week. On Wednesday there was Open House, so that parents could visit classrooms during the day. While a tea was given

How About That Myth?

If you grew up with the myth that King Richard III was responsible for the murder of the little Princes in the Tower, garnered from your book on English History, read a fascinating bit of detective fiction by Josephine Tey. The book is Four, Five and Six, by Tey, and the story is the last one in the book. It is in Back Mountain Memorial Library.
