Jean Drapiewski Leads Misericordia Cagers In Top Scoring For Season

Jean Drapiewski, playing her second season of College varsity basketball has done a tremendous scoring job in leading the Misericordia cagers to a successful 8-4 record for this season. Jean is a member of the sophomore class, majoring in English. She is the daughter of Mr. and Mrs. Carl Drapiewski of Sweet Valley. Her High School cage career was initiated at Lehman where she played varsity ball four years. Since coming to Misericordia she has shown a big improvement in speed and skill and her undying interest in the sport contributes greatly to her success.

In the twelve games played this season Jean has totaled 371 points and has averaged 30.9 per game. She has recorded scoring honors in the four losses as well as the eight wins by outscoring all opponents on this year's roster. She has been able to hit the double figures in all tilts this season from a low of 22 to a

high of 45 points in a single game. The Back Mountain schools have been well represented in the Misericordia lineup this year. Emma Engler, a member of the junior class, is a product of Westmoreland High School where she played four years of varsity basketball. Emma has been a valuable player in the scoring department and has contributed in several tilts to a Misericordia victory.

Another member of the sophomore class and a product of Lake Lehman is Leanne Swan. Lee plays in the forward slot and poses a threat to the opposing defense with her jump-shot tactics.

Among the ranks of the freshman members of the squad are Sara Gregory and Patricia Rittenhouse. Sara plays a forward position while Patricia holds down a guard shot. Both girls played at Lake-Lehman during their high school days.
