

Falls Defeats Beaumont, 6-5

Three Errors Aid 5-Run Rally In Eighth Frame

Beaumont went down to its second straight defeat by dropping a 6-5 decision to Falls behind some shoddy fielding Sunday.

Holding a 5-1 lead going into the last of the eighth the Beaumont defense fell apart and three errors along with three hits produced five runs for Falls.

Mel Crispell hurled no-hit ball for seven innings but in the eighth Falls reached him for four hits and he was relieved by Everettes.

Brown, Falls third sacker collected two of the four hits for his team.

Mel Crispell with three hits and Larry Crispell, two collected half of Beaumont's safeties.

Swingle Hurls Three Hitter As Noxen Defeats Mehoopany 5-3

Noxen remained undefeated in Bi-County League play by posting its seventh win against a strong Mehoopany team 5-3 Sunday at Noxen.

Mehoopany entered the game in second place with a five-one record; however, they failed to solve the fine pitching of Ron Swingle who yielded only three hits, four walks and struck out fifteen batters.

Mehoopany jumped to an early lead by collecting two runs in the first inning as lead-off batter, White laid down a bunt single, Pierson walked, and a double steal placed them in scoring position. White then scored on a play at the plate on a ground ball by Fasset, Pierson advanced to third on the play and scored on a sacrifice fly by Harding.

Noxen scored a run in the second inning when Swingle singled, advanced to second as Patton walked, and scored on a single by Galka. They took the lead in the fifth on a three run rally sparked by Galka's second hit, a lead-off double against the left field fence. Galka took third on a single to left by Traver and scored on a sacrifice fly by Bean. Traver scored on a double by MacMillan, who also crossed the plate on a single by Kovalick.

The final tally for Noxen came in the eighth inning when Jones, who relieved Kintner in the sixth for Mehoopany, walked Kovalick, gave up a single to Swingle, walked Patton to load the bases, and then issued another walk to J. Keiper to force in the run.

A bid by Mehoopany to tie the

game in the ninth netted them one run when Henning walked, stole second and third and scored on a single by Pierson. However, Swingle struck out Fasset to end the threat and the game.

Noxen's next scheduled game is with Sugar Hill at Wyalusing on Sunday.

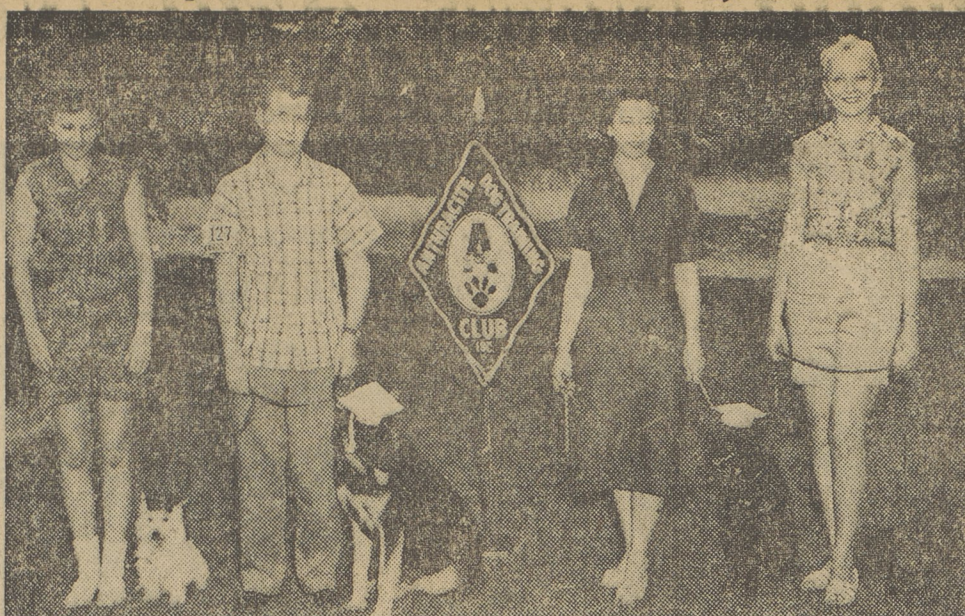

The team is looking forward to the speedy recovery of their manager, Barney Dendler, who is recuperating at the General Hospital.

Gosart's Market combed three of the Duke's pitchers for thirteen runs and twelve hits to win going away. The first eight runs were the tarnished type with walks and errors being the means, but in the sixth a hit, two walks and five straight singles blasted the Dukes right out of the ball park. Every hit made by the winners was of the single variety with Bachman getting three. Morris, Roberts and S. Dorrance chipped in with two each. Darrow was the big gun for the losers scoring twice and getting a double. Steinhauer and Bachman, the one two punch of this team, shared the pitching chores once again.

The Dukes came from behind with a six run sixth to take a big win from the Back Mt. Lumber team last week. Szela and Baker opened the inning with hits and then an error, four walks and a wild pitch enabled the winners to cross the plate six times before the inning ended. Szela was the big gun for the winners getting two doubles and a single for the days wor. Holdredge and Mahler collected three hits each for the losers. Zimmerman and J. Misson made the fielding gems of the day on defense.

Harter's Vs. Gosarts

K. Jones and T. Jones pulled a Jones boy act and scored the winning runs in the fifth to down Gosarts on Saturday night. Both the boys reached first via the error way and then scored what proved to be the winning runs of the game on a hit batsman and two walks to Rodginski and another Jones boy who was D. Jones. The fans went home after this Jones exhibition wondering if they had triple vision. Every time something happened in this game it involved a Jones boy. In the

KEYS In Your Car: Much has been said pro and con on leaving your keys in your car. We think you have a right to leave them there if you want to. We also think it is a rather careless thing to do. Many women will pay one, two, three thousand dollars for a mink coat. It was something she wanted all her life. She cherishes it. Wouldn't think for a moment to leave it where a thief could lay his hands on it. But she will take the coat and leave a three thousand dollar car sitting on a street with the keys in it.

We had no intention in singling out any woman. Men are more apt to do such a trick. It was intended as an example of what people will do. It is a foolish and careless thing to do. Why don't we stop? It's habit. Well it's time we broke the habit. We encourage car thieves. In the United States in 1958, 270,965 cars were stolen. A total property loss of \$226,225,775.00. True the police recovered 250,643 or 92% of them. But the police could apply their time to many other things.

Cars are stolen principally for three reasons: joy riding by juveniles; for use in other crimes and plunder and profit. You can help the police if you take your keys out of your car. And remember, you who own Buicks and Chevrolets, put your ignition on "lock" when you take the keys out or you may as well leave them. You don't need a key for these cars.

Many outside organizations are cooperating in this matter. The American Legion through the Wyoming Valley Automobile Association is mailing brochures, entitled, "Remove your car keys." In some cities a sticker is placed on the windshield if the police see keys in your car. In other cities, a sticker is placed in or on the car and you get your keys back by taking the sticker to the police station. Help your police. Remove your car keys.
