

Key Club, Parents, Friends Are Feted Twice On Saturday

Parents, friends and marching units from Westmoreland high school were treated to a double fete on Saturday at Johnson City. The ladies auxiliary of the Eagles prepared a lunch for the entire group prior to the parade and were wonderful in service rendered to all. Nothing was too good for the local people who had formed a caravan to make the trip and watch the local units parade at 1:30 in that city.

After the parade the entire group was invited to the country home of Mr. and Mrs. Charles Mannear, near Montrose, for a day of sports, rides and plenty of food cooked on the outdoor grill.

Charlene, Brenda and Betty Mannear served as waitresses along with their parents to see that no one lacked food. Tom Heslop drove the small tractor hitched to a wagon filled with hay and many of the youngsters enjoyed riding through the fields in a good old fashioned

hay ride.

Along with the hay ride the Mannears had their two riding horses available and they were kept busy all afternoon with youngsters taking turns riding around the enclosed riding grounds.

High light of the day was the presenting of a big basketful of sweet smelling flowers to Mrs. Samuels by Joe Hand.

The group left for home at 8:30 that night well fed and with many thanks to the Mannears for a wonderful day.

Those who attended were: Mr. and Mrs. Joe Hand, Joan and Joe; Mr. and Mrs. Kenneth Inman and Edgar; Mr. and Mrs. R. Kennington, Barry, Kenny, Lorraine, Todd and Robin; Mr. and Mrs. James Knecht, Mary Alice and Jimmy; Mr. and Mrs. Paul LaBarr and Dave; Mr. and Mrs. Justus Letts, Mrs. Clara Letts, Ricky and Bob, Mr. and Mrs. George McCutcheon and Georgia; Dr. and Mrs. Mellman; Mr. and Mrs.

Auction Sale For 44 Guns

Forty-four firearms, 31 rifles and 13 shotguns confiscated by the Game Commission in recent years, are being offered for sale to the highest bidders on a competitive basis.

The shotgun list shows: 5 semi-automatics, 2 bolt action repeaters, 3 pumpguns and 3 double-barrels. Roughly, the rifles fall into these classes: 21 guns in the .22 caliber group, 5 of them with scope. Most of the remainder are of popular, big game calibers.

Each of the guns is quality-rated as perfect, excellent, very good, good, fair, or poor according to the standard set by the National Rifle Association.

The confiscated firearms will be on display for inspection Monday to Friday, inclusive, from 9:00 to 11:30 a. m. and 1:00 to 4:30 o'clock p. m. Daylight Saving Time. Anyone wishing to examine the guns may do so at room 49-A in the South Office Building, Harrisburg. Inquiries should be addressed to the Commission's Division of Law Enforcement, Room 50 in the same building, where bidding instructions and a descriptive record of the firearms are obtainable.

Bids must be made on the descriptive form the Commission provides. The successful bidder for each gun will be notified promptly, in writing. In case of tie bids the successful bidder will be determined by a drawn lot. The Game Commission reserves the right to reject any and all bids and to require proof of citizenship.

Only sealed bids will be accepted and bidding will close at 12 noon, DST, August 26, 1960.
