SCHOOLS OPEN AGAIN

Well! Here we are back in school again. School days! School days! Dear old golden rule days! And what are we doing here? Why, getting an education of course. The first day was like all first days, slightly confused and everyone getting acquainted all over again; telling their experiences of an exciting summer and bragging about their sunburn or vacations. And what do we do now? Buckle down, kids and get to work.

DOUBLE WELCOME

We would like to say a "Double Hello" to all of you. We will be your Westmoreland News Reporters for this school term and hope to please you with all the "scoops" of the year. We will be grateful to all who bring us the latest of news and anyone who wishes to contribute any information. Please bring it to us before Friday each week. We hope all had a good summer vacation and are ready to settle down to work again. And now to sign off with a "Double so long!"

CAREER NIGHT

Friday night was career night for

all Westmoreland students to gain information for their choice of vocations for the future. Many local residents, representing various fields of endeavor gave their time to acquaint students with the details and opportunities of jobs and education for the future. Many teachers and members of the Parent Council gave their time and effort to make this night a success. We owe special thanks to Mr. George McCutcheon for his efforts to achieve this goal and for all the work required to plan this event. We are grateful, as students, for this opportunity of a glance into the future.

NEW FACULTY MEMBERS

We open this year with two new members on our faculty. To Mr. Hontz and Miss Guerra we wish a very pleasant and successful year. Mr. Hontz, a permanent substitute for Miss Shultz, who is on a leave of absence this year, graduated from Wilkes College this year with a B. S. in Business Education. While at Wilkes he made the Dean's list four times. He also participated in intramural sports and was a member of the Education Club and the International Relations Club. His hobbies are swimming, hunting, fishing and travel.

Miss Dorothy Guerra comes to us as a graduate of St. Anne's Academy and Misericordia College with a B. S. Degree in Science. She was Vice-President of her class in college for three years. President of the Athletic Association and News Editor of her school paper and member of the Debating Club. Her hobbies are gardening and oil painting. Miss Guerra was in the Wholesale Electronics Business for 16 years and later became a teacher. She has an interest in public speaking and teaches English.

FOOTBALL

Our 1960 Football squad under the coaching of Eddie Brominski, George Dombek and John Cathrall, Jr. Varsity, have been getting in shape for the first game of the season at Tunkhannock, Friday, September 16, at 8:00 p. m. We understand the boys are in good condition and have worked hard to have a first-rate team. What do you say we give them all the support we can this year with good cheers, good fellowship, and a good local representation of students and residents?

Wins Prize For Political Essay

Howard Wiley, Jr., 53 Saginaw Avenue, Goss Manor, was announced this week among the winners in political contest for the nationwide Gulf Oil Corporation's nationwide political contest for employees.

A representative of the Company's Wilkes-Barre Sales Division, Mr. Wiley won for his outstanding answer to the question, "I would like to see... nominated for President because..." His prize is a Black and Decker Power Tool Kit. Some 5,000 employees from throughout the U. S. competed for 376 prizes in the event, which was precedent-breaking in several particulars. The judges panel was selected from outside the Company. Set up to parallel Gulf's "Hat in the Ring" contest (still being judged) for the general public, the contest was one of the few in history arranged to include employees and annuitants. The annuitants rang up a score of 97 wins!

The competition also represented a unique approach to business' participation in politics. "The sole purpose of the contest," the Company explained, "is to create greater interest... in political personalities, their position on issues, and their beliefs..."

What did the local area winner have to say in the prize-winning answer?

As far as Gulf is concerned, neither the Company nor the public will ever know. In another unusual angle adopted to prove the sincerity of its aims, the Company promised participants:

"Contents of entries will not be made known to any person or organization (including Gulf), and opinions expressed therein will not be used... for any purpose, political or otherwise."

Bowlers Of George Shupp League

THIRD SEASON

GEORGE SHUPP LEAGUE

Members of GEORGE SHUPP Bowling League for the 1960-61 season.

First row, left to right: George Shupp; Joe Shemanski; Oakley Brace; Ben Krajewski; Ron Fielding; Stan Diction; Mike Rudick; Fred Bonfig; Joe Harris; Joe Bogdon; Ed Jackson and Ed Carey, President.

Second row: Frank Bialogowicz; Duane Lettice; Al Gultus; Frank Schuler; Bill Amos; Russ Montedonio; Jack Trudnak; Bud Davis; Hawk Romanoski; Dick Myers; Ambrose Gavigan and Jim Thomas, Vice President.

Third row: Tony Plata; Tom Cross; Jim Traver; Jack Roberts; Leo Yankoski; Walt Meade; Joe Kravitz; Jim Casterline; John Kriel; John Yancampen; Mel Devine; Harold Allbaugh and Jim Lohman, Secretary.

Fourth row: Tom Cadwalder; Gil Boston; Darrell Loomis; Art Blizard; Vane Race; Bill Murphy; Al Jones; Bill Shalata; Joe Shalata; Hank Rice; Lyle Crispell and Jack Traver.

Absent when photo was taken: Bill Morton, Treasurer; Al Kalafsky; Harold Koche; Robert Carey; Ben

Barsch; Casey Dimmick; Don Evans; Bill Hollos and Rev. Francis Brennan.

This is the third season for the GEORGE SHUPP league with six of the ten original sponsors back for another year. The original six sponsors include three teams from St. Therese's (Crusaders, Raiders and Wreckers); Casterline Hauling; Dallas Lions and Noxen VFW.

St. Therese's Crusaders capped the bunting in the initial season when they won the second half honors and went on to beat Casterline Hauling in the play-off. Crusaders lost the first two games and were down 40 pins but came back with 900 plus to win by 60 pins. Rev. Francis Brennan with 225, Jim Lohman 208 and Joe Harris 196 led the Crusaders to the big upset. Members of the 1958-59 Crusaders team were Joe Harris, capt.; Ed Carey; Nick Tomasak; Joe Bogdon; Father Brennan and Jim Lohman. Nick Tomasak is the only man not with the team this season.

Meade's Garage capped honors for the 1959-60 season when it downed Berti Hauling in a play-off as the Garagemen rolled over 2800 pins

with Walt Meade showing the way with a beautiful 600 series. Members of the winning team were Jack Roberts, capt.; Leo Yankoski; Joe Kravitz; Walt Meade; Paul Thomas and Tom Cross. Meade's Garage is the original Casterline Hauling team that lost out the year before.

This season the league should be even more balanced as the bowlers continue to show improvement in averages. Last season there were 22 "600 series" and almost 400 games of 200 or better rolled.

Much credit is due to George Shupp and Jim Traver for the smooth operation of the league as they were the two men who got the ball rolling three years ago and devoted much time to get the league set up. Actually this league is the other half of the Back Mountain Neighborhood League because Mr. Shupp is the man who started that league. The Neighborhood League is comprised of 16 teams while the GEORGE SHUPP LEAGUE has 10 because only ten alleys are available on Monday nights. The Neighborhood League rolls on Thursday nights.

YWCA Makes Plans To Offer Classes

Mrs. Ward Jacquish, chairman of steering committee for the Home-maker's Holiday program of the YWCA, has announced a variety of classes in the fall program, beginning Tuesday, Sept. 20 and continuing for eight successive Tuesdays, with sessions from 10 to 12. Classes will be held in the Back Mountain YMCA, Shavertown, and the educational building of the Shavertown Methodist Church.

Classes to be offered include: art, bowling, "Live it Up", Braille for sighted; bridge, sewing, "Merry Go Round", and typing.

Meditation

Meditation is the tongue of the soul and the language of our spirit; and our wandering thoughts in prayer are but the neglects of meditation and recessions from that duty; and according as we neglect meditation, so are our prayers imperfect, meditation being the soul of prayer and the intention of our spirit.—Jeremy Taylor.

NEW SCHOOL

As you already have read in the Post, a site has been picked for our new school. It is to be located on the old Lewis Farm adjacent to Lehman Cemetery. It is the hope of the board to have this building completed by September 1962.

Here is a tentative idea of what the building will contain. There will be sixteen class rooms along with these extras, Physics, Chemistry and Biology Laboratories, science room, business suite, including a typing room, a room for the faculty, conference room, larger library, activity room, student council room, a new gym and auditorium, two home economics rooms, two music rooms, health suite, administrative suite, cafeteria and dining room, industrial and agriculture shops. This will give you some idea of how large a building will be required.

LARGEST CLASS

The first grade has the honor of being the largest class in the school. Students enrolled number 156.

First day enrollment showed 828 pupils in the grades, and 772 in the high school or a total of 1,600.

BANKING

This past Monday our old system of banking went back into order. Each student who banks receives a book and plastic case in which to place the money. These books are then sent to Dallas Branch Miners National Bank for deposit. It is always a good idea to save money so if you do not have a bank account for your children you can start them saving now.

FOOTBALL

Tomorrow night, is our first football game. It will be a night game with Forty Fort starting at 7:45.

The cheerleaders should all be ready since they have been practicing very hard. The girls received their uniforms last Friday all pressed and ready for use.

"Good luck" to the cheerleaders and band, but, if it wasn't for the team we wouldn't need either of these groups, so let's all support our team.

Going back to school always makes the students think of tests, but here is one test I think everyone can take.

- (1) Is it the TRUTH?
- (2) Is it FAIR to all concerned?

Class Picnics

Young Adult Class of the Noxen Methodist Church held a picnic lunch in the Crossmans' yard on Friday evening. Present were: Mr. and Mrs. Arthur Bates, David, Barbara, Mrs. Eleanor Patton and family, Mr. and Mrs. Warren Montross, Sharon and Gregory, Mr. and Mrs. Bernard Cook and family, Mr. and Mrs. William Evans, Linda, Dennis, Mr. and Mrs. Kenneth Denmon, Mr. and Mrs. Stanley Denmon and family.

Ideas

Common speakers have only one set of ideas, and one set of words to clothe them in; and these are always ready at the mouth; so people come faster out of a church that is almost empty, than when a crowd is at the door.—Swift.

WHY Pay More Than You Have To for AUTO Insurance?

If you're a good driver, we SAVE YOU MONEY!

Should a skillful, law-abiding, courteous driver with a clean accident-free record pay the same rate for auto insurance as the less competent motorist? Of course not. The GOOD driver deserves LOWER

insurance rates, since he makes such an important contribution to highway safety.

We GIVE these low rates to drivers (men and women) who qualify for them.

Consideration is given to a driver's age, annual mileage, use of car (pleasure or business), accident-free record and other factors. If you are one of the driving elite, cash in on it by saving many dollars on auto insurance.

Without obligation, we'll gladly tell you whether you qualify for the special rates.
