By DORIS MALLIN

This week's winner of the Black Beauty Ball at Crown Imperial Lanes holds number 176914. Unofficially, I believe it has been claimed.

Dallas Nursery is still going strong in CROWN MAJOR League as it pounded Shavertown Lumber for 4 points. C. Garris 193 (568); Stredny, 209 (561), and Kardell, 200 (552), was plenty for Nurserymen as 202 (508) was the best Lumbermen could come up with.

Luigi's and Jim-Jon split a pair as Luigi's, after losing first game, pulled in third with enough pins to take totals. Rodda, 198 (551); Richards, 193 (526); Shalata, 201 (520); and C. Roberts, 207 (519), were high for Luigi's, while Trudnak, 196 (561); Matte, 200 (542); and Stolarik, 204 (514), were featured on Jim-Jon.

Birth's Esso and Michael's also split a pair as Birth's cut enough lumber in third game to take it and total pins. A. Bellas 200 (558); Coolbaugh, 187 (533); and Bruce, 191 (526), were high for Birth's, Ehret, 192 (564); and Gansel, 201 (531), were enough to gather in the first two games for Michael's. Gosart's took a four-timer from Berti & Son as Gosart boys all hit in 500's with Ciccarelli high on 203 (551). Berti's had a very rough evening as 193 (532), and 201 (521) by Wilson were the only bright notes.

Phillips Supply held on to second spot on the strength of a four from Dallas Post. Sekera, 235 (591); Yanik, 186 (534); Gauntlett, 178 (530), and Lyons, 185 (527), were high for Phillips. Varner 186 (521),

and Lohman, 179 (511), were everywhere for the Printers. Vanderhoff Sanders smothered West Side Novelties on 208-214-184 (606), by A. Vanderhoff. Westmoreland Players See Susquehanna Play

Ernie Supulski and Wesley Evans of the Westmoreland football squad; Ben Rusoloski and Jack Landis of Lake-Lehman, were guests of Susquehanna University last Saturday, accompanied by George McCutcheon, Jack Landis, Sr., and Don Clark.

After touring the campus and meeting the coaches, they were served lunch in the University dining hall, after which they watched the Susquehanna-Dickinson College football game.

Susquehanna won 20-0, and in doing so set a national college record for defense, by allowing the opposition only 17 points for the season. This represented the sixth shutout this season. No other college in the nation has done this well.

The team has a 7-1 record, having lost only one game to Upsilon 8-7, in the last 45 seconds. The team is coached by Jim Garrett, in his first year as head coach, after serving as an assistant at the Coast Guard Academy and Lehigh University.

Northern Lights Should Follow Sun-Spot Activity, Says Mrs. Sev.

Mrs. Severn Newberry, wife of camera and binoculars, to make a record of what they find.

There's nothing faster on a take-off than a bus you've just missed.

The man-made satellite, the Echo, still scurrying from West to East at a fantastic rate of speed, may be seen at times.

Mrs. Newberry, who developed an interest in astronomy when she was ten years old, at the time of a total eclipse of the sun, expects to get for Christmas a telescope which will bring the heavenly bodies even closer.

She is interested in all natural phenomena, but considers astronomy her first love. It was her favorite study in both Pittston and Endicott high schools, and she has kept up observations ever since.

She learned to hunt with her father, John Boyer of Beaumont, bagging her first deer when she was seventeen.

As for fishing, she prefers to sit on the bank with binoculars watching birds and other wild-life while somebody else catches the trout. Every Sunday during the past summer she and Sev drove to Lake Jean to enjoy the out of doors, spotting blue heron rising from the marsh, and other interesting birds.

Sometime this winter, they expect to penetrate the swamps of Florida in a swamp buggy with

A group of those who regularly play golf at Lehman Country Club formed Lehman Investors, a stock investment club, Friday night at an organization meeting held at the Lehman Club.

Officers elected were: Robert Beecham, president; Ray MacDonald, vice president; John Spencer, secretary, and Wilbur Nichols, treasurer.

There are presently twenty members but this number is expected to be increased to fifty.

Auction Dogs Win

Sherwood Wilson, and Mistor Four Paws, a German Shorthaired Pointer bought at the Library Auction in July, placed second, and Marjane Moss's Westhighland White Terrier, Maedchen, went first in the Novice or advanced class, at the graduation exercises of Anthracite Dog Training Club, Saturday afternoon at the old Acme Market Building in Shavertown.

THINKING MACHINE MOST SPECTACULAR THING ON BROADCAST

Folks, bleary-eyed from lack of sleep, agreed that the Thinking Machine which accurately forecast the outcome of Tuesday's election, was the most impressive thing about Tuesday night's televised returns.

Never wavering in its forecast that Senator Kennedy would win, it digested its information and spit out its answers with uncanny accuracy, estimating with lightning speed its percentages.

Many Back Mountain people sat up all night to watch the computer grinding out a Democratic victory. Many more, sodden with sleep at 2 or 3 or 4 a. m. called it a day, leaving the results to the Thinker.

Besecker's stayed 4 points behind the lead by taking 3 points from Boyd White's.

Maturi led Orchard Farm with 596 when the Farmers took 4 points from Ben Franklin.

The deadline for School News in The Dallas Post is Monday at noon.
