Gus Genetti MINK SHOP

Gus Genetti stated that this Fall has been perfect weather for mink priming, the best in his thirty years experience in raising mink. Eighteen hundred mink (1800) from our ranch will be pelted in the next three weeks which when processed will be used for mink garments for The Gus Genetti Mink Shop at the hotel.

Our Mink Shop has what we believe to be the largest selection of colors and styles in this area. If we do not have your particular style or size, you may choose your own pelts from our selection. Our experienced furrier, Mr. Frederick, will make a canvas fitting for you, insuring you a beautiful mink garment.

Again this year, as usual, we will serve a special Thanksgiving Dinner at the Gus Gennetti Hotel.

The main feature will be home dressed roast turkey from the Lingle Turkey Farm at Drums, who is known to raise the finest turkeys.
