

**In Memoriam**

In memory of Richard Weaver who passed away December 16, 1953.

**God's Garden**

God's garden has need of a little flower  
It has grown for a time here below  
But in tender love He took it above  
In more favorable climate to grow.

**"A Scout Helps Others At All Times"**

Carverton Boy Scouts of Troop 162 practice the Scout Oath, "To help others at all times." Working with the United States Marine Corps Reserve at Wyoming, they collected toys for underprivileged children in the annual "Toys for Tots" campaign. The amount of toys collected by Troop 162 in the Back Mountain area averaged fifteen toys for each Scout in the Troop. Troop 162 is

one of many Scout Troops throughout Wyoming Valley participating in the "Toys for Tots" drive.

**HAVE YOU SEEN  
A LOST HOUND!  
HE IS BLIND**

Have you seen a lost dog, black with white trim? Tippy wandered out into the snow Tuesday night at around 10. Tippy is ten years old and blind, a hound of mixed ancestry. Mrs. Houlette of New Goss Manor is frantic. If you have seen this dog, phone her at ORchard 4-5846.

Fearlessness is mother of confidence.

**Council Asks Owners  
To Park Off Streets  
During Winter Nights**

An urgent appeal to all Borough residents not to park their cars nights on streets in front of their homes, but preferably in their driveways or garages during severe winter weather was made by Stephen Hartman, chairman of the Borough Street Committee, at Tuesday night's meeting of Dallas Borough Council.

Mr. Hartman said he had ridden on the new Borough truck with Street Commissioner Alvin Shaffer during the height of Sunday night's storm and that the new, wider plow did a splendid job except along those places where parked automobiles restricted its use.

"Plenty of people," Mr. Hartman said, "have driveways where they could park their cars. If they would only do it, we could really do a job on Borough streets after storms."

It was also brought out that a number of employees of Main street business establishments are parking their cars for long periods of time on Main Street—thus preventing shoppers from finding convenient parking places.

Council passed unanimously on third reading an ordinance subjecting any minor to \$100 fine for buying or attempting to buy any intoxicating beverage in a n y licensed establishment or for frequenting the same.

The Secretary was authorized to pay all bills to finish out the year.

At the request of Borough Secretary Robert Brown a notation was made on the minutes that all fees accruing to him for the duration of his term of office as Justice of the Peace shall be turned over to Mrs. Nelson Shaver or Dallas Borough, so long as he remains Secretary of the Borough.

Council instructed Street Commissioner Shaffer to block off Lackawanna Avenue so that it can be used by children for sleigh riding.

Winding up its year end business Council made its annual contribution of \$300 each to Henry M. Laing Fire Company and Back Mountain Memorial Library, and \$200 to Luzerne County Society for the Prevention of Cruelty to Animals for its work in helping the Borough to take care of unwanted dogs.

Councilman Wilbur Davis, chairman of the light committee, recommended the installation of a street light at the intersection of Powerhorn Drive and Hickory Street.

Councilman Robert Moore, chairman of the police committee, announced that Henry Urban has taken over the school patrolman's job at the Borough School replacing William Davis, who had to retire because of illness.

Councilman Robert Parry presented a survey recently made in the area by the Playground & Recreation Association.

"The average husband is concerned about what the government spends and what his wife spends—the difference being that he's not afraid to criticize the government."
