**Huntsville Congregation Sees Slides  
On Holy Land At Annual Meeting**

Rev. Charles H. Frick and Mr. and Mrs. Milton Culp showed slides of their recent visits to the Holy Land Thursday night, leading a discussion group at the annual congregational dinner meeting.

In spite of bad weather and wickedly slippery roads, there was a satisfactory turnout, and the subject was covered from Dan to Beersheba from two different angles.

Mr. and Mrs. Frick had signed up with a commercial tour which failed to cover some of the wanted material in the Holy Land until supplemented with another few days under more intelligent guidance. Complications were many and various.

Mr. and Mrs. Culp, members of a religious study group based at Boca Raton in Florida, had the advantage of travelling with friends and under intelligent guidance for the entire tour, with findings each evening emphasized by map reading and preparation for the next day, one guide serving throughout.

On looking over the pictures which he took of Bethlehem, Rev. Frick came to the conclusion that Bethlehem does not change, and that colored slides accumulated at considerable cost fifty years ago gave a better representation of the area than his own pictures. Whether

**BACK TO SCHOOL**  
Most of the students returned Tuesday in good spirits after a long and joyous vacation. New clothes were some evidence that everyone had a fine Christmas.

With the new year here, I suppose everyone is making "New Year Resolutions. There are many items each person can have on his list but there is one more for students to add to their lists. It is to study harder this last half of the school year. At the end of this month we will get those truth telling report cards, again. So, fellow students, it is work from now on until June.

**BASKETBALL**  
The girls' team has been chosen. Mrs. Ulatowski has chosen both the Junior and Senior Varsity. All the girls who went out for the team worked hard and there was some real competition. Everyone worked for about one month before it was finally announced who had made the team.

The girls play their first game on January 10 with Lackawanna Trail. We wish them the best of luck. Other games are on the 12 and 13 with Forty Fort and Central.

The boys' basketball team plays its first league game with one of its biggest rivals, Westmoreland,

on January 10. I know you will all be on hand to see this game.

**CHEERLEADERS**  
The cheerleaders are again displaying new uniforms. The bibs from the other uniforms are replaced with black sweaters. The word LAKE appears on the sweater and LEHMAN on the skirt. The letters are in gold. The squad is also wearing gold socks and black shoes to outfit themselves from head to foot.

**STUDENT COUNCIL**  
The Council's Christmas display was lovely. They bought new outside lights as well as new lights for the Christmas trees in the gym.

Council has also made available winter sports schedules of basketball and wrestling meets. This organization functions for the good of the student body and they are certainly doing a good job.

**WELCOME BACK**  
When the students came back to school they were glad to welcome back Mr. Edwin Johnson. He has been absent since before Christmas vacation with a cold in his face.

During his time of recovery the students were glad to greet one of their favorite substitutes, Mrs. Ashburner. She did a fine job of teaching in the English Department.

nursery with other playmates, and older children are in school.  
Open House will be at Shavertown Methodist church, where the nursery is located, and where certain courses are given. Headquarters is next door at the YMCA building. Classes start January 17, continue for eight weeks.

**Requiem Mass Saturday  
For William Dorshefski**

A mass of requiem was celebrated by Rev. S. F. Banas at Our Lady of Mt. Carmel Church, Lake Silkworth, Saturday at 9:30, following services at the Bronson Funeral Home for William J. Dorshefski, with burial in the parish cemetery.

Mr. Dorshefski, 75 died last Tuesday night at his home in the Lake Silkworth area, after six years of failing health. With his death, the last remaining man of the seven founders of the church is now gone. Our Lady of Mt. Carmel was built in 1923.

The farm which Mr. Dorshefski owned now stands idle. He had not been able to operate it since 1954. Some years ago he had retired from employment with the Glen Alden Coal Company.

Until poor health curtailed his activities, he was active in church and community affairs, member of the Holy Name Society, and of the ZNP Lodge, Plymouth.

A native of Poland, son of the late John and Dominika Dorshefski, he came to Plymouth in 1901, moving to Hunlock Creek RD in 1923, and immediately joining with other founders in organizing a church.

He and his wife, the former Lida Duchinski of Plymouth, celebrated their golden wedding last January. In addition to his widow, he is survived by these children: John, Mrs. Joseph Janik, and Bernard, all of Hunlock Creek RD; Mrs. Joseph Gardzalla, Plymouth; and Joseph, Muhlenburg; eleven grandchildren and three great-grandchildren, several nieces and nephews.

**Holy Name Society**

Thomas DeMeo will be installed as president, Adrian DeMarco vice president, at a Father and Son meeting of St. Therese's Holy Name Society Wednesday evening at 8. Mr. DeMeo succeeds Stanley Hozempa. Relected secretary Frank Reilly and treasurer Edward Carey will also be installed.

Rt. Rev. Msgr. James Clarke S.T.L., chaplain of College Misericordia, will speak. Mr. DeMarco is chairman, Rev. Francis Brennan moderator. John Baur is in charge of refreshments.  
A silver offering will be taken.

Mr. and Mrs. Harry Nolf, and their son, Lewis, attended the funeral. Mr. Nolf, a former resident of Wilkes-Barre, was well known in this area.
