The more you drive this solid beauty,  
the more you'll appreciate its solid build!

"Most any brand new car hums a sweet tune. But after awhile the new-car aroma fades and you're on your second or third set of tires. And that's when you'll be glad you bought a Plymouth.

Its solid, one-piece Unibody is welded 5400 times to withstand the miles. And its unique anti-corrosion treatment holds off the ravages of slush, salt and sun.

Plymouth: good looking, low cost, built to be proud of for a long, long time.
