All Dog Licenses Expire January 15

The purpose of the Pennsylvania Dog Law is to protect the public and its property through the proper control of dogs and the protection of properly licensed and tagged dogs.

Your 1960 dog license expires on January 15, 1961, regardless of when you purchased it. The 1961 dog licenses are now on sale at the County Treasurer's office or may be ordered through any notary public, justice of the peace, or alderman.

All dogs over six months of age must be licensed. Male dog licenses cost \$1.10, and the female dog licenses \$2.10. Spayed female licenses cost \$1.10, if you have a veterinarian's certificate for a spayed female.

License tags must be affixed to a substantial collar and worn by the dog at all times. If your dog does not wear a current license tag it is considered a stray and may be disposed of by any officer on sight.

Purchase your 1961 dog license at once and put it on the dog as it is a protection for the animal. Violators of the Pennsylvania Dog Law are liable to a fine of not less than \$5.00 and costs, or not more than \$100.00 and costs, or imprisonment not exceeding 30 days, or both.

Cigarettes containing menthol accounted for about 14 per cent of the total cigarette market in 1960, compared with three per cent four years ago.

Tape Recorder Is PTA Project

Robert Jewell Talks On Speech Defects

Purchase of an opaque projector and tape recorder will be the project this year for the Parent-Teacher Association.

This was decided at a meeting of members on Monday night at Trucksville Elementary School.

The projector will be used in classrooms to view pages of books, chil-

dren's work or objects of study. The group also decided to sell vanilla and pepper to the members in order to secure an eighty-cup coffee pot.

Safety Chairman, Robert Kleiner, announced that measures were being taken to keep all children seated in the school buses until the bus comes to a full stop. Parents are urged to cooperate in teaching their children the importance of sitting quietly in the bus to insure safe driving and an accident free record.

Mrs. Howard Wiener, Program Chairman, introduced the speaker, Robert Jewell, Luzerne County Speech Therapist, who described the work he is doing with children who are encountering speech difficulties. He said that the ability to com-

municate is of prime importance in our lives.

Mrs. Thomas Vernon, president, announced the next meeting of PTA will be held on Monday, February 6, when Founder's Day will be observed.

Farmers' Income Tax Returns Due Monday

Farmers who get at least two-thirds of their gross income from farming have until Monday, January 16, 1961, to file their estimated Federal income tax returns for the year 1960, unless they plan to file their final return on or before February 15, R. P. Brownell, Direct-

or of Internal Revenue for Scranton District reminded today.

Farmers who have any questions on this subject may get a copy of the official publication, "Farmers Tax Guide," by calling at your local Internal Revenue Service office, or by writing to "Forms Request," Post Office Box 686, Scranton, Pennsylvania, Mr. Brownell said.

"If farmers need any help with their returns, they can telephone the local Internal Revenue Office at VA 4-8725 he advised.
