

Lake-Lehman High School

By MARY ANN LASKOWSKI

NEW IDEA

Our band director, Mr. Milaskaus, has come up with another "first." He gave each Senior Band member a chart on which to record his amount of practice time.

These sheets are of use to director and musician.

The director uses it when promotions are to be made or for a position in a trio, for example in our spring concert, or to select members to participate in a joint band.

ILLNESS

We extend best wishes to Miss O'Donnell and Mrs. Smith. Get well soon and we hope you are with us shortly.

We welcome back Mrs. Arelene Kunkle after a long illness.

Donald Anesi, a Junior, was in the hospital for a few weeks and will be absent from school a few more days until he completely recovers from a fall. Don, a football player and wrestler, has received many cards and gifts from his classmates and friends.

RED CROSS ENVELOPES

Elementary students have re-

ceived Junior Red Cross Envelopes in which they may place their contributions. Mrs. Sims will collect them before February.

SECOND SEASON

The basketball intramural season is again in full swing. Some of the teams have been rearranged and others are completely different since the Senior Varsity players are not eligible to participate.

Competition is even greater since all of us have had a few games and felt the tension and excitement. Sportsmanship has been good and we hope it stays that way.

FARM SHOW

Juniors and Seniors from both schools attended the State Farm Show yesterday. They left Lehman at 5:45 a. m. and Lake at 6 a. m. Those who attended are vocational students who earned a right to attend.

LETTERMAN

Senior letterman have finally received their football jackets. The boys first saw them shortly after the football season when they unfortunately had to be returned to the

company because they had no linings. Now they have arrived and the boys appreciate them.

Last night, the letterman held their second joint meeting at which suggestions were made to raise some money.

Members have earned the right to belong to the organization by participating in games or meets, in any of the four sports our school offers.

EVENTS

Wrestlers came through with a 45 to 10 win over Coughlin matmen Saturday night. This week's match, tonight, is with another tough team. We are playing host to Forty Fort. Doors open at 7 and Meet begins at 7:30.

Our basketball team hasn't been doing very well. The season has just opened so we are presuming that our team will do better when they meet Fairview tomorrow night. On Tuesday night they will travel to Wilkes-Barre Township.

Benscoter Attends John Deere School

C. J. Benscoter representing Rural Supply Co. has recently returned from Syracuse where he attended a week-long intensive service school on the complete new line of John Deere Tractors.

More than 100 men attended this first in a series of service schools on the "New Generation of Power." These men studied and worked on the new variable speed engines, transmissions, final drives, electrical and hydraulic systems.

Classes were divided into small groups so each mechanic could become fully familiar with the service procedures of these "new-from-the-ground-up" tractors.

Service certificates and group pictures were given to each man attending the banquet Thursday evening.

This Week AT THE COLLEGE

JEAN DRAPIEWSKI

The time has come the calendar said when all students must return to their alma mater. So with notebooks, textbooks, and pen in hand, Misericordians resumed classes on January 5.

Some, quite naturally, were not too pleased to give up vacation life, especially when they opened dusty books and found that they had forgotten so much and needed a thorough review. But the calendar said: "Semester exams begin January 23." Vacation memories were quickly laid aside and slightly rusty minds began to grind into motion once more.

January's calendar also shows numerous events that are relief to crammed brains.

Misericordians now more than ever have no excuse for any lapse in etiquette. Miss Ann Culklin, lecturer and editor of "The Catholic Light," conducted a two-day charm course on January 5th and 6th. First reaction of most students at the thought of a charm course was UGH!! But after Miss Culklin's informative and amusing course we

agree that it was a great experience. She amused everyone with her exhibitions of poor table manners, posture, etc., and we were surprised to discover that we fitted into some categories. Guess we weren't as perfect as we thought!

Senior students then had an opportunity to put their charm into use at a dinner dance at King's Inn in Kingston on January 7.

Junior rings were blessed by the Reverend Michael Rafferty on January 5. The class of 1962 will celebrate the reception of the long awaited bands at a dance January 14 at the American Legion in Wilkes-Barre.

The varsity basketball season will be inaugurated the same day, January 14. The team will play their first game at Cheyney State College. Co-captains of this year's squad are seniors Emma Engler of Trucksville and Esther Burke of Elizabeth, N. J.

So the time has come, the calendar says, when each day means study and when each spare moment is filled with spiritual activity.

WESTMORELAND High School News

The Samuels Twins, Karen and Sharon

STUDENT COUNCIL

Student Council has donated new Bibles to every homeroom at Westmoreland, and everyone thinks this a fine gesture on their part. The Council has also had new television sets installed in the laboratory and in Room 1, so that students and teachers will be able to watch the inauguration ceremonies, televised educational programs, etc. while attending classes.

NEW FINERY

We notice many new outfits in school these days, and also some new jewelry and pocketbooks. We can guess that many a "Doll" received a nice gift from her boy friend for Christmas. And from what we've heard, many a beau received nice gifts from his girl, also.

SENIOR DANCE

The seniors held a record dance Friday in the gym. Many students brought their favorite hit tunes from their collection. A good variety of popular records were played. It was the first dance since the holidays, and we all enjoyed dancing together with the crowd once more.

SPORT NEWS

Since basketball and wrestling news is always published in the papers, we will not be writing the sport news in this column unless there is some special news item to be covered. The teams do a fine job in all ways, and we wish the boys in all sports much success in their contests. Congratulations to Wes Evans and Tommy Gauntlett for being the high scorers in the Kingston-Westmoreland game. Tommy had 23 points, and Wes had 21.

NEWS REQUESTS

We would like again to make a request for news items of any sort to be given to us to write up for Westmoreland News in The Dallas Post. Special personal news, news of illness, vacations, parties and class news items are all accepted for publication. We can't write the news if we don't get news items to write about. So how's about helping us out? Thanks a lot.

COLLEGE STUDENTS

All of the college students have

returned to school again after their Christmas recess. We were glad to see many former students over the holidays. We will look forward to the spring vacation when they can once more share some of our school fun with us at dances and parties.

Six Month Time Lag

The recent government release on Sp/4 Willis Ira Cease was six months in arrears, says his mother, Mrs. Ira D. Cease, of Franklin Street Shavertown. Young Cease finished his course in equipment repair at Aberdeen Proving Grounds, Maryland, in June and has been overseas ever since. His wife, the former Joan Golenski and two and a half year old William Jr. joined him at Hannau, Germany, in September. Cease 24, graduated from St. Mary's High School in 1955.

"A good neighbor is one who makes his noise at the same time that you make yours."—John J. Plomp.

Library Book Club To Elect Officers

Back Mountain Library Book Club will elect officers Monday afternoon at 2 in the Library Annex. A recent revision of the by-laws calls for a two-year term as president. Mrs. Herman Thomas is the incumbent.

Recommendations will be made by a nominating committee composed of Mrs. Warren Unger, chairman, Mrs. Edgar Brace and Mrs. Albert Jones. Annual reports will be given. Plagued by stormy weather in December, members did not meet.

Mrs. Homer Moyer, chairman of hostesses, will be assisted by Mesdames H. W. Smith, William Wicks, Otto Weyand, Warren Unger, and Misses Marjorie Wood and Catherine West.

The low-price compact that looks and drives like twice the price!

Valiant's low price is your second-best reason to buy.

YOU'RE LOOKING AT THE FIRST!

Now, this is our idea of the way a compact should look. Trim as a button—with a flair that has nothing hand-me-down about it.

1961 Valiant prices begin \$100 lower than before. And this new low price brings you Torsion-Aire suspension, welded Unibody, a pepper-pot of an inclined engine.

For looks and liveliness, for long life and low cost, the top compact this year is Valiant. Come see the man who sells them!

Valiant!
